Bylaw No. 635 Closing Portion of Rear Street Gets Final Reading

Regular Monthly Meeting of Village Council Was Held On Tuesday Night

That portion of Rear St. west from North St. to the Public School grounds was closed when Village Council gave final reading to Bylaw No. 635 at the regular monthly meeting on Tuesday night.

Reeve G. C. Mouck presided and was supported by Councillors G. B. Noble, Jas. Chambers, B. Jones and R. Anderson.

Communications were tabled from the Unemployment Insurance Commission urging Council to carry on with the winter works programme this coming winter and the Department of Highways giving approval of Bylaw No. 633 re a supplementary road expenditure of \$2500.

A letter from the Ontario Water Resources Commission advised Council that the Commission did not approve of any more than two residents using one sewer connection. This negatives a request from J. V. Holt for his several lots on the west side of Henry St.

A communication from the Department of Labour re the Construction Safety Act pointed out that a revision of the Act made appointment of an Inspector mandatory. According to Reeve Mouck the appointment was to be made at County level.

Road Too High

Reeve Mouck stated numerous complaints had been received from residents along Mill St. concerning the level of the road surface being constructed at present by the County. He had discussed it with the various officials but nothing concrete had been decided on to overcome the situation.

The placing of traffic signs at the corner of Old Marmora Rd. and Front St. W. was discussed and Reeve Mouck agreed to take the matter up with County Engineer W. L. Langlois.

J. McCaughen addressed Council regarding repairs to the foundation on his building necessitated by the change in the level of the sidewalk on Front St. Councillors Noble and Jones will interview the engineers in charge concerning the matter.

St. Andrew's S. School Meeting

An interesting meeting of Sunday School workers was held on Tuesday night in St. Andrew's Sunday School Hall, with a fair attendance.

A general discussion took place as regards the need for teachers and the hour best suited for the majority of parents.

Due to the small number in attendance it was decided to hold another meeting on Tuesday next. Coffee and lunch will be served. It is hoped to have a general discussion with all interested persons attending.

Trenton Trio Win Trebles Tournament

Horace Ormslow's rink from Trenton took top honours at the triples tournament held on the greens of the Stirling Lawn Bowling Club on Saturday afternoon and evening. Other members of the winning trio were Ken Peacock and R. Haker. Greenskeeper Ted Barnard had the greens in excellent shape and some keen contests were enjoyed. The ladies of the club served a hot dinner at six o'clock.

The prize for the rink with two wins went to Lou Glover, Geo. Free and Dwight Bennett, skip, of Campbellford. They tied with Ashley Brooks' rink of Stirling, but won in a two-end playoff.

The honours for one-game winners went to a local rink composed of Mrs. E. Fox, Jack Doran and Ted Barnard, skip.

Engagement

Mr. and Mrs. Earl Fox wish to announce the engagement of their youngest daughter, Elizabeth Sally May to Ray Ketcheson Broadworth, son of Mr. and Mrs. Percy Broadworth, of Madoc. Marriage will take place at St. Andrew's Presbyterian Church, Stirling, Ont., on Saturday, October 6th at 12 o'clock noon.

N. Peconi Gets Six Months and \$2000 Fine

Nicholas Peconi, 48, Peterborough, dead animal dealer, was sentenced to six months and fined \$2,000 for selling meat for human consumption contrary to the Federal Food and Drugs Act.

Peconi was found guilty August 27th.

"You have sold for human consumption flesh from dead animals and appear to have done this in complete disregard for the health of persons who would have bought the tainted meat," said Judge John de N. Kennedy.

Sportsmen's Field Day and Picnic

The East Central Ontario Association of Sportsman's Clubs are sponsoring a Sportsman's Field Day and Picnic to be held at the Madoc Fish and Game Club property, east of Madoc on No. 7 Highway, on Sunday, September 16th. Men's Clubs Enjoy Barbecue

Short Programme and Ball Game Follow A Delicious Steak Dinner Last Night

Members of St. Paul's AOTS Men's Club entertained the Brotherhood of Anglican Churchmen of the Stirling-Frankford-Glen Miller Parish at a barbecue supper last night at the Henry St. playground.

W. Camm, President of St. Paul's Club, acted as master of ceremonies and following the supper a short programme was enjoyed. Community singing was led by Harold Hagerman, followed by prayer by Rev. P. J. Hommersen. Rev. F. Downing, rector of St. John's, and Alex Nivinson, of Glen Miller, President of the Anglican Churchmen of the Parish, brought greetings from the Parish.

Ball Game

In a softball game, which followed, Hommersen's "Pete" proved no match for Downing's "Doves" who took an 11 to 1 decision in a five-inning game.

David Bell started on the mound for the winners, but was relieved midway in the game by the veteran Geo. Noble, who can still throw his old "sucker" ball with good results. In addition to their pitching chores Noble and Bell each contributed a homer to the Anglican cause. John Noble looked after the catcher's duties.

Bob Neal looked after the pitching chores for St. Paul's, with Ron Whitman behind the plate. The former accounted for his team's only counter with a homer.

The Line-Ups

St. Paul's — R. Whiteman, c; Bob Neal, p; B. Conley, 1b; E. Carr, 2b; H. Vandervoort, 3b; F. Lyons, ss; B. Hemmerich, cf; Don Whiteman, rf; Ed. Heasman, lf; J. Bush and Lloyd Jones, alternates.

Anglicans — J. Noble, c; D. Bell, p; J. Haggerty, 1b; R. Mallory, 2b; Geo. Noble, cf; Landry, 3b; Bob Noble, ss; W. Webster, lf; R. McMurray, rf.

Umpires — H. Brown, plate; bases, F. Downing, J. J. Hommersen and F. A. Crook.

Accept Invitation To Conduct Service

Members of St. Paul's AOTS Men's Club accepted an invitation from the Rev. Paul Packman to conduct the morning worship services on Sunday, October 14th at his churches at Paudash and Cardiff, near Bancroft.

Rev. F. A. Crook Speaker at St. John's Afternoon Guild

St. John's Afternoon Guild met on Tuesday at the home of Mrs. Edgar Hay-Ellis. Nineteen members were in attendance.

At the conclusion of the business part of the meeting, Mrs. Hay-Ellis introduced Rev. F. A. Crook, who spoke on "God and You." Mrs. Frank McGee thanked Mrs. Hay-Ellis for entertaining the Guild and Mr. Crook for his message.

Lunch was served by Mrs. J. S. Whitehead and the hostess.

Scoutmaster is a man with a mission

In almost every community in Canada, you will find this man.

He is engaged in one of the most exciting tasks known, he works with boys — and in case you haven't worked with youngsters lately, they are still the most energetic, imaginative, enthusiastic animals ever to grace the earth.

He is a man who gives freely of his leisure time to open many doors for many boys through his knowledge of resources.

He arms his charges with ideals, tents, cooking kits, and fervor and guides them into adventures to help them for life ahead.

He leads boys by arousing their enthusiasm 'till they run ahead of him to do the job.

He comforts them in perilous times with his presence and stability.

He develops in boys the qualities of initiative, self reliance, and resourcefulness by providing opportunities for camping experiences.

If he quits, moves away, or dies, his is one of the most difficult jobs to fill. Yet, if he does his job well, his only pay will be the deep personal satisfaction of knowing that he has contributed towards developing responsible and mature adults.

A man with a mission and an extremely popular man in the eyes of the boys he serves — this is the Scoutmaster.

What Others Say

LESSON FOR POLICE

(London Free Press)

The British people know the policeman is on the street to assist them. In return, heaven help the thug who tries to manhandle a bobby while there are law-abiding citizens about.

There has been an alarming number of instances in Ontario in recent years where relations between policemen in smaller centres and municipal councils and public have broken down. Law enforcement and public protection have suffered. It will be beneficial for the Ontario Police Commission to study how this problem is being met in Britain.

Old Indian Burial Ground Discovered

A Toronto archaeologist Walter Kenyon and a team of student assistants have uncovered a 2,000-year-old Indian burial ground a few miles south of Campbellford.

The burial ground was discovered by members of the LeVesconte family, Toronto, who own the nearby farm site.

After unearthing several human bones and a bone dagger in a field the LeVescontes turned their find over to the Royal Ontario Museum in Toronto.

Among items found in the diggings were the remains of 35 bodies, including men, women and children ranging in age from six months to 60 years.

The chests and abdomens of the bodies had been cleaned out by fire with ribs, spines and pelvises showing marks of charring. This is a unique burial technique which has been found nowhere else in the world, said Mr. Kenyon.

Other discoveries were a conch shell gorget or throat armor and salt water clam shells, believed to have come from the Caribbean.

A few pieces of silver were uncovered, marking the first time this precious metal has been authentically identified with the North American Indian.

THE BIBLE TODAY

Monsieur J. Clarence Mombourquette travels in the province of New Brunswick, going from door to door selling Bibles and New Testaments. Last year he called on 8,496 homes and was able to sell only 739 copies of the Scriptures. Of the total sold, 314 were in French, 422 in English and 3 in Italian. Many of these were Roman Catholic editions.

Most of the calls were made in the villages of the French Canadian sections of New Brunswick. "In some of these sections the people were cool and suspicious," writes M. Mombourquette, "but in spite of this copies of the Word were placed in quite a few homes."

The Roman Catholic Church authorities for the most part were helpful in the matter of Scripture distribution. Some Parish Priests stock editions of the Scriptures for the use of their own people.

Monsieur J. C. Mombourquette is a colporteur of the New Brunswick District of the Canadian Bible Society. He travels extensively among the French speaking communities of that province. His text, as he goes about his work, is "Be strong and of a good courage; be not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest." (Joshua 1:9).

Advertisers Make Newspaper Possible

The advertiser is the man who makes the modern newspaper possible. He provides the major part of the revenue, for without advertising the subscription price of any paper would be prohibitive.

The advertiser wants to sell his goods or services to a large number of clients and therefore must get this message to prospective customers. A much higher percentage of both news and advertising appearing in the hometown journals is actually read than that appearing in a metropolitan newspaper or a national magazine. This fact is the reason why the weekly is such a valuable advertising medium. The readers are customers — one half of all retail buying in Canada is done in small centres served by weeklies.

While on the subject, we would like to refute the old chestnut that advertisers dictate a paper's policy. The advertiser wants his message read,

and that means a large number of subscribers who have a fair amount of faith in the paper. Such a circulation is possible, over a period of years, only by a paper with an independent policy. It would therefore be in the advertiser's own interest not to try to dictate editorial policy.

Summing up, the advertiser makes it possible to sell the paper for a few cents a piece. An independent, outspoken press provides better advertising than does a subservient one. No paper, therefore, need be dictated to by its advertisers, even though the advertiser does provide the major part of a paper's revenue.

Pavement markings help to protect motorists. The Ontario Safety League points out they would give far more protection, if all drivers observed them, all the time. Perhaps taxpayers would respect white lines more if they realized what they cost. It costs upwards of \$400.00 a mile each year to keep a solid white line on the road.

Crown lands are the principal source of pulpwood in Canada.

SUNDAY SUPPER

This is a summer menu which would be just right for Sunday supper served indoors, outdoors or half way between — on the porch.

Menu

Chilled Tomato Juice
Cold Cuts
Mixed Summer Salad
Buttered French Bread
Sour Cherry Tarts Cookies
Milk Iced Tea

Recipes for our menu were tested by the Consumer Section, Canada Department of Agriculture, Ottawa.

Mixed Summer Salad

1 cup cut green beans
(½ inch pieces)
1 cup diced carrots
1 cup shelled peas
5 cups julienne potatoes
¼ cup drained, canned, whole kernel corn
1 cup diced celery
¼ cup diced pimiento

Dressing

½ cup salad oil
¼ cup cider vinegar
1 teaspoon Dry Mustard
1 teaspoon Worcestershire Sauce
1 tablespoon sugar
1 teaspoon salt
½ teaspoon paprika
½ teaspoon pepper

Cook beans, carrots and peas, using ½ cup water and ½ teaspoon salt, until almost tender, 10 to 12 minutes.

To prepare julienne potatoes cut in ¼ inch slices, then cut slices into ¼ inch strips. Cook in a separate saucepan, using 1 cup water and 1 teaspoon salt, until almost tender, 5 to 7 minutes. Drain and cool thoroughly.

Meanwhile combine all ingredients for dressing in a screw top jar and shake to blend well. Add remaining ingredients to mixed beans, carrots and peas. Pour about one-third of the dressing over the mixed vegetables and remaining two-thirds over the potatoes. Toss lightly and chill in refrigerator 1 to 2 hours. Reserve about one-third of the mixed vegetables. Arrange in a bowl, potatoes and remaining vegetables in layers ending with potatoes. Arrange reserved vegetables in a ring around edge of bowl. Serve on crisp lettuce. Eight servings.

Sour Cherry Tarts

4 cups sour cherries, pitted
1½ cups sugar
1/16 teaspoon salt
1 tablespoon cornstarch

1 cup water
Red food colouring
Baked tart shells
Combine cherries, sugar and salt in a saucepan and allow to stand a few minutes. Bring to the boil and drain, reserving juice. Arrange cherries in baked tart shells. Combine cornstarch with water and add to juice. Return to the heat, stirring constantly until the glaze thickens and becomes clear. Add food colouring until glaze is a bright cherry red. Spoon glaze over cherries arranged in baked tart shells. Chill. Makes 12 large tarts, 20 to 24 medium tarts.

Cooking Comments

Home canning and preserving is only one of the many ways to save on your food dollar, say food experts at Macdonald Institute, Guelph. Seasonal low prices may tempt you to preserve more than your family may use during the year. Plan ahead, canning only the required amount, because as a rule, canned goods cannot be kept more than 12 months without quality deterioration.

Are you receiving full benefit from the fruit drinks or juices that you buy? Many fruit drinks are commercially available, but some of them do not contain adequate supplies of Ascorbic Acid (Vitamin C). Check the labels to buy wisely, advise nutritionists at Macdonald Institute, Guelph. For desired vitamin content, the mixture should be clearly labeled "Vitaminized" or "Vitamin C added." Natural fruit juices are also available which contain significant amounts of Vitamin C.

Here's a party or buffet snack worth trying. Remove the centre of a pared cucumber with an apple corer. Then stuff tightly with a soft cheese or cheese spread. Chill and then slice ¼ inch thick. The Foods Department at Macdonald Institute, Guelph, suggests this snack may also be used to garnish a moulded salad.

OF MANY THINGS

(By Ambrose Hills)

SOCIAL WELFARE

The City of St. Boniface has been criticized because it is making a serious effort to get the single men on its welfare list to get out and get jobs. One official said, "They can't find jobs in beer parlors."

He is so right. And the city is right in using stern methods to try to get these men to work. If all Canadians were content to lean on neighbors or the public coffers, we'd go down hill fast.

What the public wants and is entitled to is assurance that public welfare money is going to those who really need it. The idea of draining off from society a lot of money to be spent by idle men in beer parlors is galling to say the least.

Social welfare workers owe it to themselves to keep this thought before them at all times. If they ever let the public get the notion that they countenance the financing of loafers, faith in the entire structure of our public welfare work will be destroyed. Many excellent social workers do take a realistic attitude and place a real value on the money they handle. There are a few, however, who seem to feel that anyone who grouches about spending hard-earned dollars on out-and-out loafers is a callous miser.

The good social worker should be just as interested in the welfare of all men as he is in the welfare of the indigent. He should try to give full value for every dollar spent, and try to save money for those of us who are working and supporting our families. Men who have never been on the public welfare roles often have serious financial problems they are trying to meet; and to rob them to support others in idleness without effort is all wrong.

I have seen a good deal of the social welfare work done by the Salvation Army. They are generous with understanding, inspiration, compassion; they are at the same time, scrupulously careful not to waste the money donated to them. Recipients soon know that their material needs will not be looked after in perpetuity unless a great effort is made to obtain work and to work on themselves at the same time.

This philosophy has won great respect for the Salvation Army. It could do the same for the very valuable and high-minded social workers of Canada. A soft heart need not mean a soft head; the two seldom go together. It is no favour to a man to leave him unchallenged.

CONSERVATION NEWS

Ironwood and Woodlots

Ironwood is a short, branchy tree of poor form, seldom attaining a diameter of more than six inches. The wood, as the name implies, is very hard. It is used for fuelwood and where straight sound trees are available it may be used for axe and implement handles. Among the trees native to the Tweed District ironwood does not rank among the more valuable.

Under normal conditions ironwood is found as a minor component in hardwood stands. It grows among maple, oak, basswood and ash on sites which tend to be drier than average. While travelling through farmers' woodlots one sometimes encounters the rather unusual condition where ironwood is the predominant species, having replaced over a lengthy period the more valuable maple, oak and basswood.

The causes of this condition are numerous and subtle. Two of the most obvious causes, however, involve improper cutting and grazing.

When cutting a woodlot there is always a tendency to cut the more valuable trees and leave those of less value. In this way many of the maple, basswood and oak are cut while the ironwood are left. The ironwood is a prolific seeder and much of the regeneration established after logging is ironwood. If the woodlot is grazed after cutting, the ironwood being difficult to chew and less palatable to cattle than the other species, is more likely to survive. The proportion of ironwood increases with each instance of improper cutting followed by grazing, so that the resulting stand is composed of almost pure ironwood.

Revenue per acre from a woodlot composed mainly of ironwood is bound to be low. Also the losses in growth and value will continue year after year as long as the condition persists.

Correction of the condition, while more difficult than prevention, is possible. Cutting must be conducted in such a manner that the more valuable species are favoured. Also cattle must be excluded from the woodlot by fencing.

A woodlot like a garden will yield benefits in proportion to the care it receives. A woodlot full of weed trees is no more valuable than a garden full of weeds.

The Good Driver

Lord Acton's judgement that "power corrupts and great power corrupts greatly" seems to be true in the man and woman who sits behind the wheel of a modern multi-horse-powered automobile.

Just as there are many who failed in the exercise of political or economic power, so there are many who fail in the proper use of power which is conferred on them by a driver's licence.

As with other sins, it is easy to blame the stars or one's luck. It was the other driver, or a poor highway, or faulty brakes. It is always the fell clutch of circumstances.

Of course, it is true that the

"breaks" are against us sometimes. But more often we fail to observe the rules of careful driving and often we fail to rule our own temper and our own mood.

We let the crowded lanes choke the serenely within us; we permit the exhaust fumes and the impatient horns to mute our native courtesy. We allow the fear of being late to dinner or to the theatre to drive us into the crazy gamble of venturing a life for a paltry few minutes.

Often we let the steady purr of a high compression motor, lull us into forgetfulness of a truth which it is death to hide; namely that every person who holds a steering wheel guides a mighty missile; projects a two-ton bomb at high speed on areas heavily populated with precious human beings.

Constant courtesy, unflinching patience, and eternal vigilance are the necessary balance wheels of such heavy responsibility.

Each of us has the solemn duty to eliminate the careless and intemperate habits which, harnessed to a six or eight-cylinder car, can become a veritable atomic engine of destruction. Only the one in the driver's seat can be master of himself.

Our sages asked, "who is content?" The answer they gave was, "He who reigneth over his own spirit." Rabbi Jacob J. Weinstein: quoted by the Ontario Safety League.

NEWS FOR THE BUSY FARMER

Furrow and Fallow
By Fairbairn

Hopes for producer agreement on the proposed overall milk marketing plan for this province were dealt a severe blow at the semi-annual meeting of the Ontario Concentrated Milk Producers last week. After wasting most of the day on the regulation trivia of annual meetings, including a 2-hour luncheon, producers attempted to get to grips with the marketing plan, but it eluded their grasp. There was one bright spot in the morning session when Don Goodwill, of the Canadian Department of Agriculture gave producers a realistic picture of the dairy situation and answered some pertinent questions. Ottawa's dairy expert foresees surplus butter production this year adding another 30,000,000 pounds to the government kitty. That is not a bright spot for milk producers to contemplate, but at least Mr. Goodwill was frank.

When the meeting finally got round to its major consideration — the milk marketing plan — the afternoon was more than half gone, and before the discussion concluded, more than half of the producers were gone. From this observer's vantage point, one of two conclusions can be drawn: either there was a skillfully organized drawing of red herrings across the path of the discussion, or a complete lack of understanding of what the proposed plan is.

If one accepts the first possibility, then an anonymous letter which many concentrated producers received earlier in the week might be part of the plan. It purported to be written by some producers who might lose their jobs if their identity were known and, in effect, it opposed the plan. Some of the provincial directors were highly annoyed by this letter because it could be interpreted as pointing the finger at them. Others were not annoyed.

Most of the resolutions from local concentrated associations concerning the marketing plan dealt with the mechanics of its operation rather than the principles. There is apparently a great deal of confusion in producers' minds about the whole idea. As we understand the proposals, they would establish certain general principles that would govern the operation of any overall milk marketing plan, but the actual operation — day by day — might be changed frequently by regulations approved by the board. The mechanics or the means of instituting these general principles must be determined by the marketing

board after it assumes control of the marketing of milk in Ontario. Furthermore, it is impossible to pre-determine the exact regulations the board should pass in order to achieve these principles. The members of the board will have to deal with that when — and if — they are given the authority.

During his few remarks at the noon luncheon, Ontario's Minister of Agriculture, Honourable Wm. A. Stewart reiterated his previous belief in the necessity for an overall milk marketing plan, but emphasized that the proposed plan was a producer one, not the government's. He also said, at one point, "If a marketing plan is approved." Whether his choice of and emphasis on the word was intentional or not we do not know.

The concentrated producers finally delivered the death blow to hopes for agreement when they tabled a resolution calling for support of the proposed plan. What the next step will be is anybody's guess, but ours is that we will hear nothing from the provisional marketing board now. There are also rumours of considerable dissension in the ranks of fluid producers, particularly in the Toronto association, so the future of the Ontario milk marketing plan is anything but rosy.

WEED OF THE
WEEK SERIES
LEAFY SPURGE STILL
DIFFICULT TO CONTROL

Leafy Spurge has been classed as Public Enemy No. 1 in the war on weeds. Sometimes called Betcher weed or Faltours grass, this persistent perennial is listed as Prohibited Noxious in the Canada Seeds Act. This makes it illegal for even one leafy spurge seed to be present in any seed offered for sale in Canada. The seriousness of leafy spurge is further emphasized by the fact that it has been described as the weed that has taken possession of farms and driven their owners to the poorhouse. According to the Field Crops Branch, Ontario Department of Agriculture, this statement is no exaggeration. Leafy spurge is such a menace to farming in parts of Canada that municipalities may take over, and operate farms infested with it.

Leafy spurge is a long-lived, deep-rooted perennial which grows both from seeds and underground rootstocks. The root system may extend to a depth of two feet or more. The stems grow from one to three feet high and excrete a sticky, milky sap when broken. The flowers, which

bloom from June to September, are greenish-yellow and borne in flat-topped clusters with a ring of leaflike bracts at the base of each cluster. Leafy spurge is poisonous to most livestock, but sheep can eat it without harm. Indeed, sheep will graze it down so short that it is often eradicated.

The deep, extensive root system makes leafy spurge very hard to kill, either by cultivation or chemicals. Small patches should be treated with chemicals because cultivation may drag roots to other parts of the field, thus spreading the infestation, since a half-inch section of root will produce a new plant. Patches may be treated with soil sterilants such as Monuron, Simazine, Atrazine, Trichlorobenzene Acid products or Sodium Chlorate mixtures. No vegetation will grow on areas treated with these chemicals for a period of time varying from a few months to several years, depending on the chemical, rate of application and soil type. The use of these chemicals is generally limited by cost to the eradication of small patches of leafy spurge. When using chemicals, always follow the directions on the container very carefully and, for further information, refer to Ontario Department of Agriculture Publication No. 75, "Guide to Chemical Weed Control," available from your Agricultural Representative.

Large infestations of leafy spurge are costly to eradicate but may be kept under control with commercial 2,4-D or 2,4,5-T mixtures called brush-killers. These will not cause soil sterility, but will kill all plants except grasses, so can be used only in all-grass hay or pasture fields. Two treatments should be made each year, one in late June and another in late August or early September.

Eradication of large infestations by cultivation usually requires continuous cultivation for at least two growing seasons. Any patches which still survive should be killed with soil sterilant chemicals as outlined above.

THE PRICE OF MILK

How does the price of milk relate to the weekly food basket cost and to the family incomes during the past 20 years or more? In 1939, personal, annual, disposable income was \$339 — the weekly food basket for a family of four was \$10 and a quart of milk, 11 cents; in 1960, annual income was \$1,408, the food basket \$25 and the quart of milk 23¢ cents. This means that in the past two decades, income has more than quadrupled, food cost has risen two and a half times and the price of a quart of milk has a little more than doubled.

If the price of the quart of milk from 1939 to 1960 had followed the same trend as income, which has quadrupled, it would now be 44 cents a quart. If it had risen at the same rate as the weekly food basket, which is now two and a half times higher than in 1939, it would be 27½ cents a quart.

It is a common experience that any country showing increased income spends more on such commodities as meat. In Canada, since 1939, income has gone up and diet has changed considerably. Canadians are eating less cereals, potatoes and dairy products and more fruit, vegetables, eggs, poultry and meat. For instance, per capita consumption of beef has risen from 53 pounds in 1939 to 69 pounds in 1960.

It is interesting to compare the milk price situation in relation to the price of other food commodities, such as beef. In 1939, one hour's salary of the worker in a manufacturing industry could buy 4 quarts of milk and 2 pounds of beef. In the following years, one hour's salary could constantly supply more milk than beef. In 1961, it could buy 8 quarts of milk and 2½ pounds of beef. In other words, beef price has proportionately increased more than that of milk.

We sometimes hear consumers complaining about the price of milk. Of course, for a big family with a low income, milk becomes an important item. It means buying three, four or even five quarts every day. Because it is a basic food in our country, the preparation of meals cannot be imagined without it. To the housewife conscious of the health of her family, its importance, especially for children and adolescents, cannot be overlooked.

Statistics show that from 1939 to 1960, personal, annual, disposable income has more than quadrupled (\$339 — \$1,408), while the cost of the food basket has only risen two and a half times (\$10 — \$25), and milk has gone from 11 cents to 23¢ cents. This means that while income and prices have been going up, food commodity prices have risen less than consumer prices in general and milk, still less.

Back in 1914, sirloin steak was selling at 25 cents a pound and a quart of milk at 9 cents — a little more than one third. In 1939, a pound of round steak cost 23¢ cents and a quart of milk, 11 cents. With the jump (that is the right word for it) in

income, beef round steak, prices increased from 23¢ cents in 1939 to 78¢ cents in 1960 and to 92 cents in 1961, which means it has nearly quadrupled from 1939 to 1961. If the price of milk had made the same jump, it would now be 44 cents a quart.

Timely Tips

You are a sitting duck when you drive your tractor on public roads, says Hal Wright, farm safety specialist with the Ontario Department of Agriculture. Tractors are slow moving compared to normal traffic, and it is this slow speed that increases the hazard. Take out extra insurance by driving your tractor with courtesy and common sense, and don't forget to signal those turns.

Do we need fat on our beef? Dr. R. H. Ingram of the Meat Laboratory at the Ontario Agricultural College

says that a moderate amount of fat is necessary to preserve and protect the meat while it ages, as well as adding to the flavour.

A balanced ration supplying the necessary vitamins, minerals, protein and energy is an important step toward bigger litters. The ration fed to sows affects the number, strength and weight of pigs farrowed, say swine researchers at the Ontario Agricultural College.

Watch egg quality in the summer months. Research at the Ontario Agricultural College's Poultry Department shows that there are several factors affecting egg quality during the hot months. The greatest loss in egg quality occurs in the first 48 hours, this means that eggs must be cooled immediately after gathering and held in a cool room (50 to 55 degs. F.).

LEGION NOTES

The fall programme of Legion
activity was given a good send-off
last Tuesday evening when some 25
veterans met at the Legion Hall in a
general business session. Comrade
President Gilbert Finkle conducted
the meeting, assisted by Secretary
Bruce Glendinning and acting Sgt.-at-
Arms Bert Bastedo.

A number of important items of
business were discussed. Plans for
the forthcoming Poppy Campaign
were discussed at length. Comrade
Bert Bastedo reported that the price
of Remembrance wreaths had risen
slightly. He also reported that the
initial order for wreaths and poppies
was being considered and would be
sent in very shortly.

Since Remembrance Day falls on a
Sunday this year the branch discus-
ed the possibility of having local
churches co-operate to the extent of
delaying the start of their morning
services until 11.15 a.m. This would
allow for a brief service of remem-
brance at the Cenotaph. It was also
decided that the branch should par-
ade to one of the local churches im-
mediately following the cenotaph ser-
vice.

The matter of a service at the Raw-
don Township Memorial was also dis-
cussed. The branch decided that due
to the unusual circumstances of the
day it would be most advisable to
hold the service at the Rawdon cenotaph
immediately following the con-
clusion of their church service. This
would be approximately 12.45 or 1
p.m. The matter of further arrange-
ments for the Remembrance Day ser-
vice was left with the executive to
discuss with Branch Padre, Rev. F.
Downing.

Comrade Allan Lawes, who is also
a member of the local Boy Scout
Committee, addressed the members.
He pointed out that the Legion are
the sponsors of the local Scout Troop
and that they were presently having
difficulty in obtaining leaders. It
was decided that the branch execu-
tive would meet with the Boy Scout
executive at the earliest possible date
to discuss the needs of the local
troop. In the meantime, if there is
anyone in Stirling or vicinity who
would be in a position to offer lead-
ership assistance they are asked to
call Comrade Allan Lawes as soon as
possible.

Additional plans were made for the
initiation ceremonies scheduled for
Tuesday, October 2nd. The members
of all branches in our zone will be in-
vited to attend this important event.
It was suggested that immediately
following the ceremonies a social
evening be held at which each branch
will be asked to provide one item of
entertainment. Comrade Fred Houch-
in has generously offered to head up
this portion of the meeting.

With regard to the special initia-
tion ceremonies, it was pointed out
that at present there are some 25
members of the branch who are
eligible for initiation. They will be
contacted by the membership chair-
man in the very near future. All other
members are asked to make special
note of the date (Tuesday, October
2nd) and plan to attend.

The Legion also approved the pur-
chase of crests for the winners of the
local Pee Wee Softball League. The
title this year was won by Glen Ross.
Suitable crests will be ordered in the
very near future. In this connection
it was pointed out that there were a
number of hockey crests and a trophy
to be presented to teams from last
year. It was decided to honour both

the minor softball and hockey players
of the district at a special evening to
be held in October. In addition to the
presentation of awards it was decid-
ed to use the evening to re-organize
for the local minor hockey season
which will soon be here. Comrade
Vice-President Allan Lawes was ap-
pointed to make whatever arrange-
ments were necessary. A further an-
nouncement will be made as soon as
a date has been set.

The general membership were
agreed that the renovation program
had been a very great success and an
appropriate motion of approval and
appreciation was passed by the meet-
ing. It was pointed out that the next
major step in the programme of in-
terior improvement should be the in-
stallation of a new floor in the hall.
In the ensuing discussion it was point-
ed out that a fund had already been
started towards this end. President
Finkle stated that rough estimates of
the cost ranged upwards to \$1,000.00.

A report on several items of busi-
ness dealing with the local Poppy
Fund was given by Comrade Bert
Bastedo. The activity and work of
the Poppy Fund Committee was ap-
proved unanimously.

With the advent of the fall season
Legion activity will be at a high pitch
for the next few months. This requir-
es that all members take an active
interest in the branch program. In
order that everyone may be advised
of the plans for the coming months,
a special branch bulletin will be sent
to all members later in the month.

The next meeting of the branch will
be an executive meeting to be called
by President Finkle before the end
of the month.

A Letter To The Editor

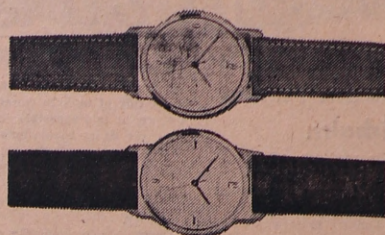

HIGH COSTS —
WHAT FOR?

Not many weeks ago, like several
others, I was disturbed when I re-
ceived my tax bill. I studied it very
carefully. All costs keep rising
gradually and will continue to do so
as long as we expect and demand up-
to-date improvements and socialistic
disbursements of our public funds.
Educational requisitions attain new
peaks at every survey.

But what has caused me more
concern is the result of examinations
in our local schools. I have noted by
the press that Lakefield Preparatory
School boasts no failures and 84 per
cent honours. Our standard is appal-
ling. Why? Are our teachers at
fault? Or is it the School Boards?
Or perhaps our children have not the
mentality of their predecessors. We
are paying for the high cost of educa-
tion in various ways, not the least of
which is the well salaried teacher
who does not live in our midst and
fails to contribute in any way to the
Village treasury. It's time these
matters were given some thought.

I do not purpose to suggest how a
school should operate. But I am won-
dering if anyone is giving any thought
to this vital question. In days gone
by, if Johnnie didn't measure up in
French, he received extra assistance
from his teacher and often made a

successful standing at the close of
the term. If Mary couldn't see any
sense in sines and cosines, she was
given patient instruction which usual-
ly paid off. Is this the case now?
No! These are merely examples but
from what I can ascertain, if a pupil
has a poor subject, no teacher has
time nor feels any responsibility for
personal attention. Rather than have
too low an average, the pupil is en-
couraged to drop the subject and
thereby remove any cause for criti-
cism. This even has a tendency to
promote the line of least resistance
and eliminates the principle of satis-
faction found only in the achieve-
ment of difficult assignments.

It's time someone assumed some
blame for this deplorable situation.
Let's not pass the buck! If we need
new teachers, let's see that we get
them. If we need a new school board,
let's see about that too. If we need
a new assessor, let's not call in the
County man. Every man to his task,
especially when nomination time
rolls around! Sitting at home and
beating is not enough. We need the
leadership of responsible citizens
worthy of giving of themselves for
the betterment of the community and
ready to accept constructive criticism
even if it hurts — and people to put
them there.

SPLENDID PROGRAM ARRANGED FOR ANNUAL FAIR SATURDAY

Brian Olney and Ken Horton, CKWS Favourites — Green Amusement Shows

With the annual Fall Fair sponsored by the Stirling Agricultural Society scheduled for Friday and Saturday of this week, September 14th and 15th, the committee in charge of the various attractions in front of the grandstand has lined up a programme for appeal to all, and indications point to it being one of the best ever seen locally.

In preparing the programme, the committee has ever kept in view that the Fair is primarily for the agriculturists of the community and has endeavoured to make it of particular interest to farmers. However, the urban dwellers have not been overlooked and there are many items that should appeal to them as well.

It is the hope of the Society that the citizens of Stirling and community will show their appreciation of the efforts put forth by the directors by giving their wholehearted support to the Fair not only with their attendance but by competing in as many events as possible.

Acknowledge Donations

The directors desire to thank the citizens of Stirling and Hastings County who, by their generous donations, have assisted them in arranging for this year's fair.

Copies of the Prize List may be obtained from R. E. Shortt, Secretary.

Trials of Speed

All of the familiar events are again on the agenda and a good afternoon's entertainment is promised for Saturday, September 15th. Horse racing enthusiasts will again be able to enjoy their favourite sport as trials of speed — Free-For-All, purse \$225, and classified race, purse \$200 — are included in the race card.

There will also be races for small ponies and a musical chairs competition open to ponies.

Good Exhibits

There will also be the usual good horse and cattle exhibits, as well as sheep and swine. In the main building will be found the ladies' work exhibit, cheese exhibits, High and Public School exhibits and the Horticultural exhibits.

Junior Farmer Section

In the Junior Section of the Fair patrons will be privileged to view the achievement day exhibits of the Stirling 4-H Calf Club, South Hastings 4-H Sweet Corn Club and the Moira-Trent 4-H Forestry Club. The farm machinery companies will also have their usual display of farm equipment on the grounds.

The customary Junior Farmer section will again be featured this year.

Platform Performance

The platform programme will feature Brian Olney and Ken Horton, CKWS, Kingston, radio and T.V. personalities. A prominent girl singer will also be present and the fair patrons will be favoured with singing, dancing, skits, etc. Stirling-Junior Band will provide the music during the afternoon.

Good Midway

Arrangements have been made with the Green Amusements for a midway with rides and booths for both the children and the adult patrons of the Fair.

Refreshment booths will be in operation on the grounds, while a ladies' group will serve hot meals in the Fair dining hall.

Dance On Saturday Night

The Fair programme will conclude Saturday night with a dance in the Community Hall. Music will be supplied by a Kingston orchestra.

Your Patronage Solicited

In presenting the programme the Committee feels it should have the support of the community and given good weather, the attendance should

Moffat -- Johnston Wedding of Interest

Knox College chapel, University of Toronto, was the scene of a pretty early fall wedding on Saturday, September 8th, at two o'clock, when Miss Barbara Jean Johnston exchanged marriage vows with Mr. David Bryce Boorman Moffat. The bride is the daughter of Mr. and Mrs. Lorne M. Johnston, Belleville, and the groom's parents are Mr. and Mrs. Bryce F. Moffat, Midland. Dr. A. B. B. Moore, President of Victoria University, officiated before a lovely background of mixed chrysanthemums in shades of yellow, gold and bronze.

The wedding music was played by Dr. Rosevear, organist of Knox Chapel.

Given in marriage by her father, the bride was charming in her gown of white satin peau de soie. The bodice was fashioned with a portrait neckline and long lily-point sleeves. The skirt had a bouffant back accented with a flat bow and falling into a chapel train. Her finger-tip veil fell from a coronet style head-dress of white petals and she carried an arrangement of white orchids and a white Bible, a gift from her parents. Her only ornament was a single strand of pearls, a gift of the groom.

Miss Joan Lay, Leaside, was maid of honour and the bridesmaid was Miss Janet Johnston, cousin of the bride, of Harold, with Miss Sheila Johnston, sister of the bride, as junior bridesmaid. They wore dresses of frosted green georgette over taffeta, fashioned with scoop necklines and bell skirts accented with a flat bow at the back, matching headpieces and veils.

Mr. Paul Stevens, Toronto, was best man and ushers were Mr. Lynn Johnston, brother of the bride, Kingston, and Mr. Tony Moffat, brother of the groom, Midland.

The reception was held at Windsor Arms, Hotel, Toronto. The bride's mother received her guests in a brown figured silk sheath, with dark brown accessories, and wore a corsage of tawny 'mums. The groom's mother wore a soft green liberty silk dress, with matching accessories and a corsage of yellow 'mums.

For a wedding trip to Muskoka the bride chose a forest green knitted suit, lemon yellow hat and gloves, dark brown shoes and bag. Her corsage was bronze orchids.

Guests were present from Brighton, Stirling, Kingston, Foxboro, Hanover, Midland, Carleton Place, Montreal and Toronto.

The young couple will reside in Toronto.

be the best ever. All roads lead to Stirling Fair Grounds on Saturday, September 15th, and citizens of the surrounding district will be out in force to lend their support to the Agricultural Society. Be sure to meet your friends at the Stirling Fall Fair.

Farewell Party For Young Students

On the afternoon of August 31st, a farewell shower was held at the home of Mrs. Clarke Rodgers, Mill Street, in honour of Miss Louise Harding, who is leaving soon to train in the Sick Children's Hospital, Toronto, and Miss Lammie Klompaker, who is entering Calvin College, Grand Rapids, Michigan.

Several contests were enjoyed. An address was read to each of the girls and suitable gifts were presented. Although both girls were taken completely by surprise, they very capably expressed thanks to all for the lovely gifts and appreciation for the kindness shown them.

Dainty refreshments were served and all departed wishing both girls every success in their chosen profession.

Mr. and Mrs. Wayne Shaw Guests of Honour at Ivanhoe Reception

A reception was held in St. Andrew's Presbyterian Church parlours, Ivanhoe, on Wednesday evening, given by Mr. and Mrs. Milton Shaw in honour of their son, Mr. Wayne Shaw and his bride, the former Helen Kelly, of Foxboro.

Mr. and Mrs. Milton Shaw and Mr. and Mrs. Harry Kelly received the guests. Mr. Thos. Dods capably acted as master of ceremonies.

A reading, "To the Bride and Groom," was given by Mrs. Forde Stapley. Mr. Allen Austin, Wooler, entertained the guests by showing nature slides and also slides of the Shaw-Kelly wedding.

A delicious lunch was served. The guests were seated at prettily decorated tables with pink and white and autumn flowers, streamers and bells. The head table was centred with a horse shoe, and love birds carrying rings.

Serving were Mrs. Walton Reid, Mrs. Harry Benson, Mr. Walton Reid, Sharon Reid and Patsy Benson.

Mr. Harper Rollins spoke on behalf of the Shaw family. Mr. Ross Ketcheson spoke on behalf of the cousins. Mr. Larry Mitz, a school chum of the groom, offered congratulations and best wishes for a long and happy married life.

The bride and groom were the recipients of many lovely gifts. Both Helen and Wayne expressed thanks and appreciation. The remainder of the evening was spent in reminiscing and visiting.

Stirling 4-H Calf Club Met At G. Sutherland's

The meeting of the Stirling 4-H Calf Club was held at the farm barn of Geo. Sutherland on Wednesday last. Vice-President Grant Hagerman occupied the chair and after the business of the club was settled, he turned the meeting over to Lyall MacLachlan, Assistant Agricultural Representative of Hastings County.

Mr. MacLachlan instructed the Juniors on how to clip their calf for the Achievement Day. Meanwhile the seniors were given their exam on the year's work. The juniors were given their examination later. After the examination Douglas Detlor and Mr. MacLachlan enlightened the members concerning some of the questions on the examination. Following adjournment lunch was served.

Family Reunion

Mr. and Mrs. Gerald Fraser, Glen Ross, entertained at a family reunion on Sunday. Among the guests were Mr. Major Fraser and Mr. and Mrs. A. Fraser and family, Stirling; Mr. and Mrs. Lester Fraser and daughters, Peterborough; Mrs. Roy Chapman and Mr. and Mrs. Donald Chapman, of Regina, Sask.

Presentation Prior To Departure

Several of the neighbours gathered at the home of Mr. and Mrs. J. Kuenig, John St., on Thursday last, and presented them with a silver sugar and cream and a crystal ash tray prior to their departure to reside in Rossmore. The presentation was made by Mrs. Robt. Luery, after which refreshments were served and a social hour enjoyed.

Ladies' Trebles Tourney Held

Eleven Rinks Participate
With Belleville Making A
Sweep of all the Prizes

Belleville lady bowlers made a clean sweep of the prizes at the trebles tournament sponsored by the Stirling Ladies' Lawn Bowling Club yesterday. The draw had eleven entries, five coming from Belleville, two from Campbellford, two from Trenton and two local entries. The greens were in good condition and fast, resulting in some exciting games. A pot luck dinner was enjoyed at the noon hour.

There were two three-game winners with Betty Vince leading her rink to top honours with a score of 45 plus three. Other members of the rink were Anne Avery and Carmen Mott. In second place was a rink skipped by Anne Watkins with a score of 40 plus eight. Millie Wright and Joan Watkins were the other members of the rink.

The prize for two wins went to a rink composed of Grace Clapp, L. Mascara and Millie Smith, with a score of 45. Elsie Humphries, skipper of her rink of Nora Kyle and Hazel Boyle to the top among the one-game winners with a score of 36.

Mrs. John Carlisle Entertains U.C.W. At Wellman's

Mrs. John Carlisle entertained the ladies of Wellman's United Church Women for their regular meeting on Wednesday, September 5th. There were 14 adults and 6 children in attendance.

Mrs. Carlisle, President, began the meeting with the devotional service which had been prepared by Mrs. Craig Watson with the theme "God is our refuge and strength." The hymn "Hast thou not known hast thou not heard," was sung, followed by prayer by Mrs. Carlisle. Mrs. Jim Pollock sang "The Church's One Foundation" and Mrs. Byron Seeley gave a reading entitled, "The Church and this Day." Mrs. Gerald Russett read the Scripture lesson, Romans 8: 14-39. Mrs. Frederick Beckett offered prayer. The hymn "O Lord of Life, and Love, and Power," was sung, followed by prayer by Mrs. Carlisle.

Everyone responded to the roll call, a Bible verse containing the word "Courage." Little Miss Sandra Fleming gathered the offering which was dedicated by Mrs. Carlisle.

The minutes read by the Secretary, Mrs. Kenneth Tompkins, were approved. The Anniversary Services coming up the 16th of September created a brief business period with

various planning being done.

Mrs. W. G. Fletcher was in charge of the Bible study, based on "What is Religion." The Church in the last ten years has grown more than ever before. Religion meets both Sunday and everyday needs and reaches its peak when love and relation to God are given first thoughts. Mrs. Fletcher concluded with a question period.

Mrs. Omar Dracup gave a reading, "The Value of a Smile," and Miss Emma Rainie read, "Our Church."

Mrs. Kenneth Tompkins gave the chapter of the study book dealing with Old and New Canadians. She began with the early Canadian settlers and continued the story of immigration to the present day, giving the nationalities of these people as they came. The number of immigrants from 1958 to 1962 were given. The feeling of the Canadians with regards to immigration was given. Mrs. Tompkins stressed the feeling we all should have in this regard. The overpopulated countries were mentioned with emphasis put on what these people could do on the deserted farms in our land. Our attitude towards these newcomers into our communities made to contact them, not leaving them to come to us, but we are to go to them, welcome them and make them feel desired.

The educating of these people was stressed and ways we could help in their education and medical needs

were suggested. There is a strong need for guidance and spiritual support among immigrants. We should try to treat this sort of spiritual vacuum between their old and new sphere of life and teach them to appreciate our ways. Ideas for action on the part of the Canadians were given. There were several questions that we have to find the answers to before we can make progress. Some of the questions being: "Why do these people not want to come to our church?" "What are they afraid of?" "Why did they like their own Church better?" "What do they not understand?" "What makes them different?" Mrs. Tompkins concluded that when we get the answers to all these questions we would have many immigration problems overcome.

Mrs. Gerald Clancy put on a tree contest. Mrs. Carlisle thanked all taking any part and Rev. W. G. Fletcher closed the meeting with prayer.

Mrs. Carlisle and her assistants served dainty refreshments while all enjoyed a social half hour.

Rylstone

(Too late for last week)

Mr. and Mrs. Murray Melkjohn enjoyed a holiday around Lake Huron and Georgian Bay last week.

It was back to school on Tuesday for all the boys and girls of the community. Johnny Spencer is the only

beginner at the Union School this year and Donna Finch the only beginner at the 9th Line School. Four little folks are starting their school career at the 7th Line School. Mrs. Cora Reid is teacher again at the Union School. Mrs. Jim Heath, of Marmora, will be teaching again at the 9th Line and Mrs. Murray Melkjohn will return to the 7th Line School for another year and her son, Denton, to Wellman's Corners.

Donna Stewart and Nancy Gray will be the High School freshmen from the 9th Line and Wayne Wildman and Morley Finch from the Union School.

Mr. and Mrs. Gordon Melkjohn and boys and Mr. and Mrs. Bob Spencer and family spent the week-end at a cottage at Norland.

Mr. and Mrs. Cecil Finch and boys were recent supper guests of his mother, Mrs. Mabel Beggs in Campbellford.

Mr. and Mrs. Percy Mumby, Springbrook, had supper with their niece and nephew, Mr. and Mrs. Bob Spencer one night last week.

Mr. and Mrs. Cecil Finch attended the Bishop — Melvin wedding in Brighton on Saturday.

Mr. and Mrs. Jack Spencer entertained her parents, Mr. and Mrs. Harper Bateman, Springbrook, at a birthday supper in honour of Mr. Bateman and his grandson, Johnny Spencer.

Mr. and Mrs. Ellis Jones were over-

night visitors with her sister and husband, Mr. and Mrs. Fred Husband, Napanee, on Tuesday.

Mr. and Mrs. Ed Stephens and children are spending some time with her father, Wm. Morton and Bob.

Mrs. Mary Jane Murray is also visiting the Morton family.

St. Paul's U.C.W. General Meeting

The general meeting of St. Paul's U.C.W. was held in the ladies' parlour on Tuesday evening, September 4th with a good attendance. Autumn flowers donated for the occasion added charm to the surroundings.

Mrs. D. Duffin and Mrs. Claire West were at the door to receive the ladies.

After a few words of welcome by Mrs. Duffin, Miss Adeline Bush conducted the devotional period. She was assisted by Mrs. Jack McCaughen, Mrs. Clarence Copeland and Mrs. C. West. Mrs. B. Jones and Mrs. R. Hulin's duet, "Have You Been in the Garden with Jesus," was greatly appreciated. They were accompanied by Mrs. H. West.

During the business period the ladies accepted an invitation to attend Springbrook's annual tea and bazaar. The next general meeting is November 6th at 2 p.m.

The programme was in charge of Mrs. V. Richardson, chairman of Citizenship and Social Action. After a brief talk on the meaning of citizenship and our responsibility as citizens, Mrs. Macklin, Mrs. Roy Bush and Mrs. Hommersen presented a play "Citizenship that Counts" and here Mrs. Macklin brought to our attention several of the responsibilities of citizenship by using a flip chart.

At this point Grant Richardson showed the film on the Home for Retarded Children at Plainfield. Here we saw the great need for service, for

our donations and prayers for the little ones born so handicapped.

Mrs. Sid MacDonald's solo, "O Brother Man," seemed a fitting climax to the programme. Mrs. Jones and Mrs. Hulin closed the meeting with another duet.

Group Two served dainty refreshments after which Mrs. A. Brooks voiced the appreciation of the ladies for a very enjoyable evening.

Cooking Comments

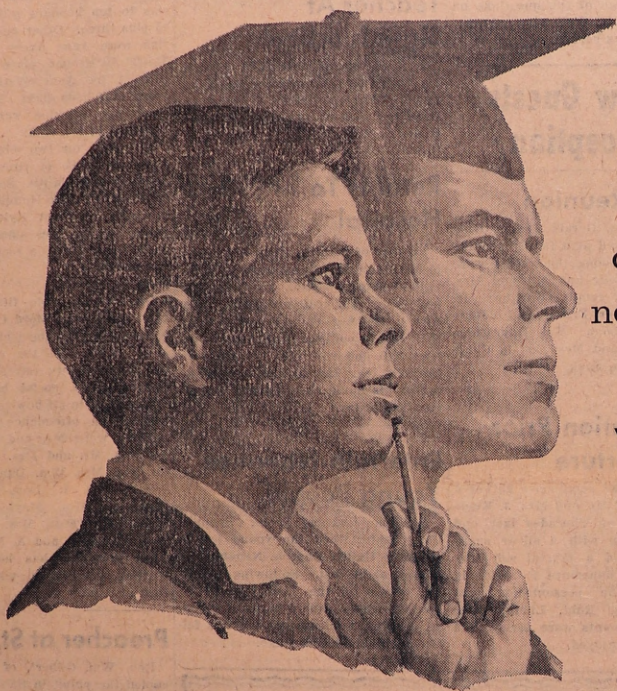

Fried egg plant is only one of the many ways to cook this unusual and colourful vegetable. Cut crosswise in $\frac{1}{2}$ inch thick slices. Dip in batter or egg and fine bread crumbs. Pan fry in oil or butter 10 to 15 minutes until browned on both sides. Deep fat frying requires 5 to 10 minutes.

Peaches are most versatile, say home economists at Macdonald Institute, Guelph. In addition to using them sliced or whole at breakfast and in fruit cup and appetizers, try peaches glazed raw in tart or pie shells.

Combine cottage cheese and peaches for an extraordinary salad treat. On a crisp lettuce leaf, pile a generous scoop of cottage cheese and garnish with halved fresh peaches. Then top with a stemmed maraschino cherry.

Foods experts at Macdonald Institute, Guelph, suggest this little tip when poaching eggs: Add a little lemon juice or vinegar to the water. This keeps them firm. Zinc sealer rings are also useful in keeping the egg in one small area.

Pears should be maintained at refrigerated temperatures. Even when fully ripened, place them in the refrigerator and then use as soon as possible after full maturity has been reached.

BANK OF MONTREAL UNIVERSITY EDUCATION PROGRAMME

A comprehensive, life-insured plan for financing a college education for boys and girls now in high school

If you are like most parents with children in high school, you are probably wondering how you are going to meet the costs of financing your youngster's college education. To help parents solve this problem, the Bank of Montreal has introduced its University Education Programme—the first life-insured plan of its kind in Canada.

Under this comprehensive programme, parents, guardians and sponsors of high-school students can spread the cost of a university education over periods of up to nine years, thus keeping monthly payments to amounts they can afford without hardship. And the cost to the parent is only a fraction of the interest paid on a straight loan programme.

HOW THE PROGRAMME WORKS

Under the basic plan, the parent agrees to make monthly payments to the Bank starting, say, two years before the student enters university, and terminating one year after graduation. In return, the parent receives an annual sum from the Bank at the start of each of the four university years.

VARIANTS OF THE PLAN

Several optional plans are available under the programme, and these vary as to the number of years in which the parent wishes to make monthly payments, as well as to the amount required annually for university expenses. Plans are based on objectives ranging from \$1,000 to \$8,000 payable to the parent in four annual instalments.

Here is an example of how one of the basic plans can be varied to suit your needs:

OBJECTIVE: \$4,000			
To be paid to the parent in four annual amounts of \$1,000 each			
OPTIONS	YOU PAY MONTHLY	PERIODS OF PAYMENT	YOUR PAYMENTS BEGIN
Plan A	\$49.55	7 years	2 years before university
Plan B	42.78	8 years	3 years before university
Plan C	37.56	9 years	4 years before university

LIFE-INSURANCE FEATURE

If the parent concerned should die after the start of the programme, the funds for education specified in the agreement will be advanced by the Bank each year without any further payments being made by the family or the estate.

HOW TO JOIN THE PROGRAMME

See the people at your neighbourhood B of M branch. You will receive a warm welcome from a staff who will be pleased to give you further details and to help you select a plan suited to your needs. Ask for your copy of the Bank of Montreal University Education Programme folder.

P.S. If you need help in financing a student already in University—or planning to register this year—talk to your B of M Manager. Chances are he can arrange a tuition loan with extended payments adapted to your circumstances.

T. W. Solmes and W. J. Whitty won the Bickle Trophy at Cobourg in the lawn bowling doubles competition on Monday. R. A. Patterson and H. R. Tompkins were eliminated after playing six games.

Geo. Sutherland won first prize in the calf club competition at Belleville Fair.

Fred Eggleton, son of Mr. and Mrs. N. E. Eggleton, broke his arm in a fall from a tree behind the Dominion Store on Saturday.

All school fairs in the county have been cancelled due to infantile paralysis epidemic.

Leason Baragar, of London, Ont., and Percy Baragar, Edmonton, paid a visit to their old home in Rawdon Township, which is now owned by G. B. Bedford, on Friday last.

A general reduction of approximately 10 per cent in Hydro rates in the Village was announced by the local Commission this week.

Local and Personal

Maurice Bell spent the week-end in Toronto.

Mrs. Harper Rollins spent a few days in Toronto this week visiting her sister, Mrs. H. Sills.

Miss Betty Conley, Toronto, and

Bert Conley, Levaack, spent Monday in Stirling.

W. R. Roberts, Toronto, spent the week-end with Mr. and Mrs. S. A. Hatton. Mrs. Roberts returned home with him.

Mrs. Jeffrey is spending a few days with her daughter, Mr. and Mrs. Lorne Reid.

Mr. and Mrs. Cecil Carter spent Sunday with Mr. and Mrs. Jos. Rollins, Ivanhoe.

Mt. Pleasant

Herb Higgs and Harry McAdam, left Friday for Sudbury.

Mr. and Mrs. Percy MacMullen spent a few days in Toronto with Mr. and Mrs. Herb Black.

Miss Helen Spencer, Belleville, spent two weeks with her parents, Mr. and Mrs. Merle Spencer.

Madoc Junction

On Thursday evening, Sept. 3rd, friends and neighbours gathered at the home of Mr. and Mrs. Geo. McMullen, Madoc Junction, and honoured their daughter and husband, Mr. and Mrs. Bert Reid at a miscellaneous shower.

Mr. and Mrs. Jas. Raynor and Jack, of London, spent the week-end with their daughter, Mrs. Leonard Waterfall.

the latter's parents, Mr. and Mrs. Wesley Heath.

First Meeting Stirling Cubs Tuesday, Sept. 18th

The first meeting of the Cubs will be held in the Public School on Tuesday, September 18th at seven o'clock. All Cubs and any boy who wishes to join must be there as two groups will be organized if leaders are available. Fifty-five to sixty boys are expected so more help is needed. Leaders for Monday night are Mrs. Irish, Mrs. Woodbeck and Doug Robson; for Tuesday night Mr. Wagner and Mrs. Bruce Murray.

Headquarters say a Cub Pack is 24 boys and three leaders. We must have at least two more leaders. You do not have to be a Boy Scout to be a leader, the leaders we have did not know the first thing about scouting and look at the job they have done.

In the past years we have had 45 to 50 boys in the Pack. They have not received all that they should have, because we did not have leadership.

So parents, are we going to have to send some boys home next week because we have not the leaders to help them?

What is Scouting? It helps the boy to respect his church, as he must go to church or Sunday School; it helps to make the boy more dependent on his own.

What have we in this town to give to our boys? About eight weeks of hockey and maybe the same at playing ball. But Scouting is a year-round activity, with out-door camping and hikes, teaching him how to look after himself.

The registration fee for a Cub is fifty cents and five cents a week dues, which buys the badges the boys earn. Can you get any cheaper entertainment for your boy?

Mrs. E. Luery Hostess To Stirling Women's Institute For Sept. Meeting

Mrs. E. Luery opened her home for the September meeting of the Stirling Women's Institute on Wednesday afternoon.

Mrs. B. Reid, the President, welcomed all and gave a special greeting to Mrs. L. Rodgers, of West Hill, now holidaying in Stirling; also to those who have been "not feeling so good" and couldn't attend the meetings.

All joined in singing The Ode, with Mrs. David Luery as pianist for the meeting. This was followed by repeating the Mary Stewart Collect and the Lord's Prayer.

Roll call, a beautiful thought in poetry or prose, was well responded to with lovely poems and advice. One in particular was by Mrs. Smith, "If your nose is on the ground, take a deep breath, pick yourself up, dust yourself off and start all over again." (No age limit to this.)

Correspondence was tabled re the training school in Madoc, September 18th and 19th on "The Third Meal," instructions from the Provincial President, Mrs. L. G. Lymburner, of Port Colborne; a thank you letter from Scott Mission, Toronto, and soliciting support in the future in the line of good used clothing for winter.

Mrs. F. Smith, the quilt convenor, outlined the work being done toward piecing and putting together a fancy quilt. Mrs. R. Rupert is associated in this work as a committee. Mrs. L. Rodgers kindly donated money to further this work. Mrs. Rodgers is always so interested in the Institute and never forgets to give a favourable contribution towards its betterment.

The Home and Country magazine was distributed to the members by the Secretary.

The October meeting was changed to a day later on account of Madoc Fair. The meeting will be held at the home of Mrs. David Luery on Thursday, October 4th. Mrs. F. Smith will give the topic on "Health," with Mrs. A. Wannamaker programme and lunch assistant. The roll call will be "Caring for home accidents."

A memorial wreath will be purchased by the W.I. for the Armistice Day service.

The Penny and regular collection was taken at this time.

A gift was presented to Mrs. A. Wannamaker in honour of her recent marriage. Mrs. Wannamaker is a valued member of the Institute, always willing to help out in any capacity. She has given her home for Institute meetings, Christmas party and quiltings and her pleasant disposition has won her many friends. Thanks were expressed for the gift.

Mrs. Foster gave a reading entitled "The Greatest of These." God created the family in the beginning and families belong to all people. Fam-

ilies are factories of love and every child needs a home. Nothing can take its place, democracy, friendship, home, but the greatest of these is "Home."

Mrs. M. Ayhart gave the topic, "Education," which was quite in keeping with the reading previously given. The foundation laying begins in the home, followed by public school and Sunday school. Education in the far north is a novel experience for teachers. The Department got into the business of education about eleven years ago and has just about replaced the traditional missionary school. The effect of youth and inadequate education is evidenced by the very high unemployment rate.

A contest by Mrs. Bronson, potato peeling blindfolded, with three ladies volunteering. Mrs. L. Rodgers was judge. Mrs. Wannamaker won the prizes, a sack of potatoes, and Mrs. Rodgers, cosmetics.

Mrs. E. Luery gave current events, including the famous Dionne's home at Callander is being moved to a motel park on No. 11 Highway near North Bay and will be opened for antiques display in the near future.

Regarding the Queen Mother's visit this year to Canada, it was stated "she was the nicest visitor Canada ever had."

Mrs. B. Reid put on a contest, "Books of the Bible." It was won by Mrs. E. Foster and Mrs. F. Smith. All joined in singing the Queen.

A dainty lunch was served, after which Mrs. F. Smith voiced appreciation to the hostess, Mrs. E. Luery, and lunch committee, Mrs. M. Ayhart and Mrs. B. Reid.

Rylstone

Patsy Spencer has enrolled for a course in stenography at the Ontario Business College, Belleville.

Agnes McKeown started training as a nurse at the General Hospital, Belleville, on Monday.

We wish these young ladies success in their chosen vocations.

Mr. and Mrs. Bob Spencer and family and her mother, Mrs. Clara Lisle, Stanwood, called on Mrs. Lisle's aunt, Mrs. Dave Leeson in Campbellford on Sunday afternoon. Mrs. Leeson celebrated her 93rd birthday on Monday, September 10th.

Mrs. Lillian Eastwood, Whitby, and her aunt, Mrs. Lily Anderson, called on Mr. John Stewart and Mr. and Mrs. Ray Stewart and family Friday afternoon.

Mr. and Mrs. Jack Spencer and boys were recent evening callers with Mr. and Mrs. Jim Hagerman and family, at Menie.

Mr. and Mrs. Bill Donaldson and Susan, Peterborough, and Mrs. Albert Holland, Havelock, called on their father, John Stewart, and family, on Saturday afternoon.

What could have been a serious fire was narrowly averted on Saturday when fire of unknown origin swept the lumber yard back of Jack Spencer's barn, while the neighbouring farmers were busy silo-filling. Other neighbours came quickly with what water they had on hand and a quick call to Campbellford brought Wally Stapley with a tank of water. It is not known whether a spark from a tractor's back-fire might have started the conflagration in the tinder-dry grass.

Mr. and Mrs. Jim McComb, Rhonda and Randy, of Peterborough, visited his sister and husband, Mr. and Mrs. Don Stewart and daughter on Sunday evening.

Paul McKeown has returned home from Lake Couchiching, Geneva Park, where he was the boy delegate from Hastings County at the Junior Farmers' Provincial Camp.

Rylstone United Church Anniversary Service

There was a good crowd in attendance at Rylstone United Church Anniversary service on Sunday night. Mr. W. H. Stobart, of Ivanhoe, was the guest speaker and rendered a very interesting sermon.

The choir of the church sang two numbers, "Onward Christian Soldiers" and "Win Them For Him," with Patsy Spencer at the organ. Mrs. Murray Melklejohn is choir leader.

The altar, flanked by the new moveable altar rails, built and donated by Jack Spencer, was banked with foliage and flowers.

Late Will T. Allan

Rylstone residents were saddened on Saturday to hear of the passing of Will T. Allan, in Campbellford Hospital. Though in failing health for some time, his death was a shock to all, occurring after only a few days in hospital.

He was born and spent most of his life at Allan's Mills, except for a few years in the United States, where he met and married his late wife, Anne Curran, who predeceased him about two years ago. He was the son of the late James Allan and Margaret Melklejohn, in whose house the original Rylstone Post Office was situated.

Left to mourn the loss of a dear brother are Mrs. Thos. H. (Grace) McKeown, Springbrook; and Kenneth Allan, of Campbellford. A brother,

Purvis, and a sister Helen (Richardson), predeceased him.

Funeral services were held on Monday at the Bennett Funeral Home,

day at the Bennett Funeral Home, Campbellford, with interment in Rylstone Church Cemetery.

**Fly-By-Night
Operators Said
Making Killing**

Fly-by-night operators in the lucrative home improvement field are making a killing at the expense of unsuspecting Canadian home owners, says Central Mortgage and Housing Corporation.

Vice-President P. S. Secord said recently the Crown-owned housing agency has evidence suggesting that numerous Canadians are victimized every year.

To the end of July this year CMHC asked the RCMP to investigate 300 home improvement loans — mostly on the suspicion that slick operators seeking exorbitant profits were involved in the repairs.

"Usually the materials they use are inferior quality and the price is heavily marked up over that of regular suppliers in the community. They provide contract forms that appear to be fair and reasonable and offer terms that seem to be most attractive, at least on the surface."

Mr. Secord said the first rule to be followed by a home owner undertaking repairs or improvements should be: "Know the person or company with whom you plan to deal."

Another rule: Check the price asked for materials and labour as separate items, getting quotations from other businesses for comparison.

**FOR THE GOOD OF YOUR
HEALTH WASH YOUR HANDS**

Medical authorities recommend frequent hand-washing, especially after using the toilet, preferably with antiseptic liquid soap and germ-free paper towels.

This precaution will help to reduce the incidence of infection from Hepatitis and other contact contagions. Sanitation is a sound investment. It costs so little and provides essential health protection.

G. H. Wood & Company "Sanitation for the Nation" have prepared cards reading "For the Good of Your Health" . . . WASH YOUR HANDS! They recommend these cards to be prominently displayed in all public washrooms, food processing and eating establishments, in fact wherever sanitation is of paramount importance.

These neat 7"x11" cards are available without charge or obligation from G. H. Wood & Company Ltd., Toronto, Montreal, Vancouver and from any of their 41 branches across Canada.

Bank of Montreal Announce University Education Program

Introduction of a combined savings and loan plan to spread costs of a four-year university education over a period up to nine years and embodying full life-insurance protection, has been announced by G. Arnold Hart, president of the Bank of Montreal.

The plan, to be known as the Bank of Montreal University Education Programme, will make it possible to finance college studies through modest monthly payments at substantially less cost than would be possible on a straight loan basis, Mr. Hart said.

Under the programme, a parent, guardian or sponsor will undertake to make monthly payments during a student's last two, three or four years of high school, continuing through university, and terminating a year after graduation. In return, the parent will receive a lump sum at the start of each of the four university years, with built-in life-insurance coverage throughout to guarantee funds

even if the sponsor dies.

Wide Range of Plans
Under one typical plan, by depositing \$49.55 a month at interest, beginning two years before college and continuing for seven years, a parent will be able to guarantee his child a \$4,000 college education.

Other variations of the programme range from payments of \$9.39 a month for nine years to provide \$1,000, to \$99.10 a month for seven years to provide \$8,000.

If a student withdraws from college for any reason, the programme may be continued as an insured savings plan, or discontinued, at the parent's option. If a college year is repeated, the plan will be continued as originally agreed and special provision may be made for the additional year.

Need of The Times

Commenting on the University Education Programme, Mr. Hart said, "We see this new undertaking as meeting an important need of the times we live in. The programme will enable many Canadian boys and girls to go to university who otherwise

would not be able to do so because the short-term financial load would be too heavy for their parents to bear.

"We hope it will have a practical and realistic value to parents of children now in high school and that it will contribute towards developing the trained minds Canada will need so urgently in the years ahead."

Madoc Technical School Approved

Work is expected to start next week on the \$1,056,020 technical wing for Centre Hastings High School at Madoc. Final approval has been received from the Ontario Municipal Board.

Some time ago the tender was awarded to Fassel Construction Co., of Scarborough. The addition will consist of 12 rooms, plus gymnasium and cafeteria.

In terms of constant 1949 dollars Canada's per capita gross national product declined from \$1,576 in 1960 to \$1,564 in 1961; comparative figures for the U.S. were \$2,247 in 1960 and \$2,261 in 1961.

A Letter To The Editor

September 8th, 1962
Box 100, Stirling, Ont.

Mr. H. R. Tompkins,
Editor and Publisher,
Stirling News-Argus,
Stirling, Ontario.

Dear Mr. Tompkins:
"Parent and Taxpayer," last week, made some very good observations on education.

We are coming to the point where a re-appraisal of education is needed. The time has come when all children must acquire as much learning as they are capable of absorbing. Parents must take an interest in their children's education. It is no good leaving it all up to teachers, educational authorities and government.

Too many people take no interest in their children's schooling until they learn that junior has failed or wants to quit. It is most difficult to get qualified people to serve on school boards. Few people ever talk to the teachers or make any inquiry about the course of instruction.

Many citizens feel that teachers generally are overpaid and receive too many fringe benefits. Still, we are not getting enough candidates to take the kind of specialized training required for good teaching. This is especially true in the public schools. If you don't get a thorough grounding there how are you going to be able to build a worthwhile structure in advanced institutes?

School taxes seem to take a big bite out of the overall burden, but education costs considerably less than a lot of other non-essentials that we shell out for and will return a far larger dividend if properly used.

The aim of education should be to turn out a well grounded citizen with an inquiring mind and capable of reasoning things out. Nowadays, at school, the biggest asset seems to be the ability to memorize. The teacher says that two plus two equals four. You aren't supposed to ask why, you just accept that as a fact. You can't altogether blame the teachers, that is the system and they find it hard to buck.

Children should start to school at

ago five, with kindergarten for four-year-olds. There should be at least eight hours of instruction per day, six days per week, with two weeks' holidays in summer and one each at Christmas and Easter.

French should be compulsory from the first grade, with provision for another language later. This would be invaluable training in memory, concentration and reasoning. It would be a challenge and be a great help in learning proper pronunciation, diction and grammar in English.

Teachers should be relieved of their extra-curricular duties (if they wished) and the chore of making up and correcting examination papers. They need time for study also. You might get volunteers who would devote some time to this. Examinations should be shorter and more frequent and should be oral as well as written. Why not look into the idea of having businessmen, tradesmen, housewives and clergymen give lectures.

When all is said and done it is up to WE THE PEOPLE. We elect representatives to speak for us, but it remains our duty to see that they carry out our wishes.

Yours sincerely,
Robert D. Mansell
"Not a parent, not a taxpayer"

Dear Mr. Editor:

I would like to comment on a letter appearing in your issue of September 6th.

May I commend the writer for being interested enough to put his (or her) thoughts in writing. Criticism can be good, constructive criticism should always be welcome, uninformed criticism is a waste of time.

The writer appears though to be confused. On one hand the high cost of municipal services is deplored and on the other, a new teaching staff and an inexperienced school board is suggested. As for the other matters pertaining to our school (and it appears as though the criticism is directed to our Secondary School) had the writer taken the trouble to explore the questions further, he would have found that these problems have been discussed by the School Boards and staff year after year . . . that is, when we give time and thought as to how a school should operate.

The public is welcome to attend general meetings of Councils, School Boards, Public Utilities and other civic organizations but rarely do citizens avail themselves of this opportunity. On the Secondary School agenda for this year is a Parents' Night when those interested will have an opportunity, by invitation, to meet the staff to discuss pertinent problems.

I am certain, Mr. Writer, that the mentality of our children is no less than that of their predecessors. But, supposing many of our students have only average intelligence, what is wrong with that? After all, most of their associates through life will be average people. A world of professors would be, to say the least, rather dull. No, Mr. writer, we, being just average people, haven't all the answers for school operational problems, but educational authorities are looking constantly for someone who has; and, this I do know, your present School Board has intimate knowledge of the problems encountered in the Stirling School. In some instances, and this problem applies to most schools, one of the greatest concerns is to find parents who will make an honest effort to see that the student does a sufficient amount of work on his own. In most cases, this simply means checking to see if the assignment has been done or listening to a vocabulary. I am sure that where there is need and the parent has (or takes) the time to do this, the results will soon appear evident. Our Board is also opposed to graduating only 80% pupils as this entails selectivity which we do not agree with. We believe every pupil should be given a chance to try — even when we know in advance that he will not at first succeed.

I will agree that we would like to have all of our staff members live in our midst as these learned individuals and their families can contribute to the social aspects of our community life; but I am sure we are also pleased that those who teach and work in other communities, and live with us now, are contributing in no small measure.

And, for those Grade 13 pupils who may have felt hurt by our writer's remark, I would say to take this in stride, ignore it and keep trying. It will be a part of your education. I also feel certain that this autumn at Nomination time, the present members of Council, School Boards, Public Utilities, etc., will see that a place at the head of the line of aspiring candidates is reserved.

Thank you, Mr. Editor, for your consideration and now I must close while I still have enough ink to sign.

Donald W. Rodgers,
Past chairman and member of the Stirling-Rawdon High School Board since its inception.

Dear Mr. Editor:

In reference to "A letter to the Editor — High Costs — What For?"

I wish to say, as Chairman of the Stirling-Rawdon District High School Board at which this letter was apparently directed, that I was delighted to see this letter published. I did not know that anyone was interested.

During several years' service on the High School Board, all of whose regular meetings are published, a number of citizens appearing at a board meeting to offer criticism, constructive or otherwise, has been practically non-existent. We therefore have no official knowledge of the efficiency or otherwise of our decisions.

Comparison with "Lakefield Preparatory School" is invalid since students are selected, and not permitted to write Grade Thirteen examinations, unless success is assured, whereas, in our school everyone may write an examination even though certain failure is forecast.

That our percentage of passes is low this year is admitted. It has been higher and it has been lower.

This school is not designed to produce only experts in their field. It is designed to introduce to students of as wide a learning capacity as possible, a knowledge of the Arts and Sciences which will enable them to advance to further education, either in university or in the world of experience, and to become citizens capable of understanding the various factors that make up a civilized society.

As to the residence of teachers in a school district I will say this is desirable. However, we have many Public and High School teachers resident in Stirling who teach elsewhere. We also have many residents who work in industry and commerce elsewhere. Can we discriminate? No!

This Board deplores the incidence of "Drop Out." It has always done so, and has, this year, stipulated that any subject being studied after the first day of October must be carried through the year regardless of success or failure.

In reference to "days gone by" and the assistance given to "Johnnie," may I say that this is true. In those days the slow or lazy student was driven to work and often succeeded through the sheer determination of the teacher. In those days also, the strap and numerous detentions were an incentive to work. However, in our enlightened age, the strap is practically forbidden and forcing Johnnie to work is not to be thought of. Such things might cause frustrations which would affect him in later life. Let him run the streets at night, or look at television until his eyes pop out, or anything else his little heart desires. After all we never had it so good!

The bare facts are that things are not as good as they were. The requirements of modern living are much more demanding. Educational requirements are very much increased and the courses are much harder. The student therefore, who was in the eighty per cent bracket twenty years ago, would be in the sixty per cent bracket today, and the former pass student is now a failure. That is, unless the student is willing to work harder than he ever worked before, and much harder than his parents worked before him.

The challenge is there. Johnnie is capable of meeting it. The means of education are better than ever. How much assistance are you, as parents and taxpayers, willing to give? How much discipline are you willing to relegate to the teachers to enforce attendance and attention to study? How much assistance are you willing to give the teachers by seeing that homework is done and that proper rest is obtained so that Johnnie does not fall asleep at school?

How much blame are you doing to accept for past failures and drop-outs? How much more are you prepared to pay in taxes to improve facilities so that we can offer as much as larger centres? How much interest are you going to show when the Parent-Teachers discussion night, scheduled for this fall, takes place? You are all invited.

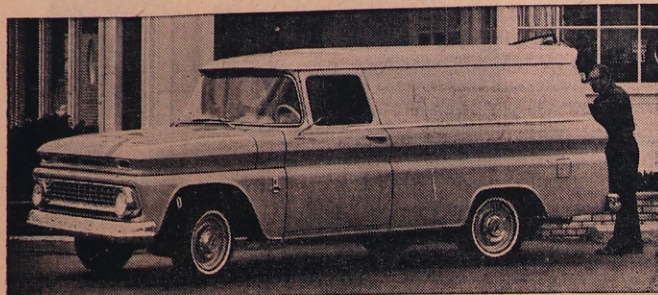

This is the atomic age, the age of precision, the age of meticulous preparation, the age of mental toil. Sweat and muscles are largely a thing of the past.

The shame does not lie solely on those highly paid teachers. Unless we pay the wages we cannot get the teachers. The extra expense and study of a university education demands an extra salary and that is what they are getting.

Did you know that last year the school schedule was rearranged to make available a period for extra tuition and for detention? Did you know that teachers were available to help slow students? Or did Johnnie neglect to tell you? Did you know that all Johnnie had to do was ask for help and it was there? Are you willing to give the teachers, once

THE CHARTERED BANKS SERVING YOUR COMMUNITY

NEWS FOR THE BUSY FARMER

Furrow and Fallow
By Fairbairn

Ontario farmers can expect improved services from the provincial Department of Agriculture under a new policy which will co-ordinate the work of specialists in both soils and field crops. Agriculture Minister Stewart has announced that specialists in these two fields will join forces under a new branch to be called the Soils and Field Crops Branch. It will replace the former Field Crops Branch and eventually its staff will be specialists in both soil and crop work. Soil specialists have been under the direction of the O.A.C.

Mr. Stewart points out that the very foundation of agriculture rests on the soil and the merging of the activities of the soils and crops specialists will safeguard the future of the agricultural industry. It should also make possible even greater co-operation between the Ontario Soil and Crop Improvement Association and the department. Mr. Stewart said the association had played a tremendously important part in the development of sound land use practices and this new policy should help its effectiveness as well.

The new branch will be under the direction of D. L. "Doug" Parks who succeeds the popular Arthur H. "Art" Martin who retires the end of September. Mr. Parks has been at the Kemptville Agricultural School as Chief Instructor and Extension Specialist and has been closely associated with the Soils and Crop Improvement Association in eastern Ontario. Mr. Martin played a leading role in developing the association to its present stature in Ontario agriculture. Although retiring as Director of the department branch, Art Martin will not be leaving agricultural work entirely for which the industry may be thankful.

Complete confusion exists about the proposed milk marketing plan with some organized opposition developing in southwestern Ontario last week. The provisional board met on September 7th but issued no public proclamation concerning plans for the future, although we understand some were made. However, there is some news of vital interest to producers concerning the quality of milk being delivered to processing plants.

There has been considerable improvement in the quality of milk produced for processing plants this year since the institution of a combined campaign by producers, processors and dairy branch fieldmen some months ago. This programme insists that all milk be graded by men holding certificates of qualification granted by the Dairy Branch of the ODA after graders and testers have passed a written and practical test and requires regularly monthly bacterial activity tests on milk shipped to processing and cheese plants. It also includes the rejection of off-flavour milk and milk containing excessive sediment as well as use of the Gel test to indicate the presence of mastitis and tests for water and antibiotics. Tests are being carried out in Department of Health Laboratories as well as ODA labs at Guelph and Kemptville.

Compilation of the results of this campaign from the monthly reports of Dairy Branch fieldmen indicates that the quality of milk delivered to processing plants during the first six months of 1962 improved 12.3% over the milk produced for processing plants in the same period last year. Since much of this campaign was not instituted until spring while some areas didn't join until June, this result points to its ultimate success. Perhaps it also indicates that when everybody in the industry makes a concerted effort — producers, processors and government — almost any programme can be successful. In this case, improvement in milk quality cannot help but benefit everybody concerned in the industry and also the consumer. Farmers can help

themselves by careful attention to feed, animals and general sanitation and cleanliness.

OPEN SEASON
FOR FUR-BEARERS
IN THE DISTRICT

November the 1st is the opening for trapping wild fur in the district. The closing dates are as follows: Beaver and otter - March 31st; fisher and mink - January 21; muskrat - April 30, north of no. 7 highway and April 20 south of no. 7 highway.

Although Lynx and marten are present in the district, they are considered too scarce in density to permit any trapping and therefore no quotas will be allotted.

The pelts of beaver, fisher, lynx, marten, mink and otter, must be sealed by a Department officer before being sold by a trapper.

FAME Meat
Processing Plant
Sod Turning

A farmer, picked at random, will turn the first sod in a new meat processing plant to which thousands of Ontario farmers have each contributed \$100. Ceremony takes place on Wednesday, September 19th.

Invited to perform the sod-turning duty is David Ireland, Teeswater. His name was selected simply because his share certificate number in the Farmers' Allied Meat Enterprises (FAME) is 1962 — "A year of hope for Ontario livestock producers," explains FAME President C. W. McInnis, Iroquois.

The ceremony, near Ayr, will be watched by hundreds of FAME shareholders. Also invited are local dignitaries, provincial political leaders and newsmen. Speaker will be J. A. Courteau, Montreal, who manages a giant farmer-owner meat processing organization in Quebec.

FAME was set up nearly two years ago to give Ontario farmers some control over marketing their livestock. For years they have maintained that high costs and low market prices are squeezing their margins. Last year, average income per farm in Eastern Canada was only \$2,549, according to the Dominion Bureau of Statistics — and that was a better-than-average year. They hope FAME will improve their position.

The meat processing plant which Mr. Ireland's spade will begin is the first of a proposed series of seven spaced throughout the province. Construction should be completed next year, and an advertising programme to gain consumer acceptance will be in planning stage shortly.

Being as the harvest season is over and the crops in Ontario have been generally quite bountiful, it is expected that a large number of farmers will attend this history-making occasion. It is worth any farmer's time to attend this meeting to hear the guest speaker, Mr. J. A. Courteau, Manager of the Co-Operative Fedree in Quebec, tell what the Co-Operative Packers have done for the farmers of Quebec.

The picnic is scheduled to start at 12:30 p.m. and ceremonies to commence at 2:00 p.m.
Please bring a basket lunch.

Timely Tips

All soils in Ontario do not need lime, says Professor T. J. Heeg of the Ontario Agricultural College. You waste money when you apply unnecessary lime. A soil test will tell you how much, when, and where you should apply lime. Remember, correct levels of lime are vital in the efficient production of field crops.

Sow pasture becomes more mature and less palatable in the fall, but as long as you clip and keep the legumes sows can be pastured well into the fall. Swine researchers at the Ontario

Agricultural College say that it's important to keep the pasture growing. When you see pasture damage, it is time to take the sows off.

Pullets require some special attention when they come into the laying pen, say poultry management specialists with the Ontario Agricultural College. The change is usually a shock to the birds, and the type of feeders, waterers, and roosting facilities are all important in getting a young flock into peak production.

Kitchen storage can add to the hazards around any farm home. Keep detergents, medicines, and other potential dangers stored well above children's reach, warn safety specialists with the Ontario Department of Agriculture. And don't try to reach those cupboards by standing on a box or chair. A combination stool and steps is much cheaper than a hospital bill.

again, the power to say, "Johnnie you must stay after school and you must do your homework, and you must take extra study because we must make you pass so that you can go out into this wide, beautiful, and cruel world; and come back in a few years and say 'thank you'?"

If you ask where does the blame lie, I would say it lies in the post-war laissez-faire attitude of easy money, lots of fun, and little effort.

The wheel of time has now completed a revolution. Our spoke is on the down side. We must work to push it up so that our descendants may once again coast on the high side.

May I again say, thanks for your letter. I didn't know anyone was interested.

Sincerely,

Final Tributes
Paid Picton
Reeve E. Ward

(Contributed)

Representatives of municipal councils were among those who attended the funeral of Reeve of Picton, Ern Ward, held in Picton United Church, Tuesday, July 31st. Also present were members of the Kiwanis Club, of which his son Jack H. is a Past President. Other municipal officers, business men and friends joined in the last tribute. A profusion of beautiful flowers banked the front of the church.

The Rev. V. E. R. Zufelt, who conducted the service, commended the late Mr. Ward for his service in municipal affairs, and said he had a deep interest in his lodge and service work here throughout the years.

Rev. Mr. Zufelt began the service by reciting a hymn which Mr. Ward sang in the church choir some 40 years ago, "O Love That Will Not Let Me Go."

Pall bearers were Donald Baxter, Gordon Groux, Pat Hodgson, Calvin Hughes, Robert Norval and Dr. Charles Goodwin.

Honorary pall-bearers were Mayor H. J. McFarland, County Warden John Fox, Judge W. S. Lane, Reeve Clare Platt of Wellington and Reeve Arthur Moore of Bloomfield.

The great profusion of beautiful floral tributes which banked the church altar and chancel were evidence of the esteem in which Mr. Ward was held. Fond of flowers, he had spent much time in the lovely gardens at his Glenora Road cottage. He and Mrs. Ward had spent a month in California this spring where he enjoyed to the fullest the beautiful country.

Interment was in Glenwood Cemetery.

A memorial service was held Monday night by members of Bay of Quinte Lodge I.O.O.F. 144, of which Mr. Ward was financial secretary. Some 120 Odd Fellows from Bay of Quinte Lodge, Picton, Belleville and Trenton were in attendance. The service was conducted by Carl Handley and Ralph W. Hubbs.

Ern Ward was born in Southampton, England, in 1892, and came to Canada at the early age of four years. He made his home in Stirling where he learned the tailoring trade in his uncle's store. He left Stirling at the age of 18 years, going to Milverton, Ont., and then to Peterborough. Then he spent two years managing two stores in the Timmins district of Northern Ontario, one at Schumacher and the branch in Timmins. From there he returned to Peterborough, and in 1917 he moved to Picton to open a cleaning and pressing store in the premises now occupied by Shannon Bros. Then he moved to the store next door and opened a Men's wear store, along with cleaning and pressing.

In 1928 he bought the former North block where the present Gordon's

Men's Wear is located. This block burned in 1929 but was rebuilt immediately by Ern. Here he carried on a successful business for some 28 years, retiring in 1957.

He was a member of the United Church and sang in the choir and was bass soloist, also a member of the male quartette. He served as a member of the Board of Stewards and was at present an elder and member of the session.

He was a town council member for six years, one year Deputy-Reeve and was serving his sixth year as Reeve, during which time he was a member of County Council and had the honor of being Warden in 1959.

He was a director on the Health Unit for the county.

Mr. Ward was also director of the County Children's Aid Society, chairman of the Town Council Fire Department Committee and the Parking Committee. He was a member of Eastern Ontario Tuberculosis Association.

At the time of his death he was Financial Secretary of Bay of Quinte Lodge and served as Noble Grand. He was also a member of the Picton Encampment I.O.O.F. When the first Kiwanis Club was organized, Mr. Ward was a member, and for some years he was a member of Picton Rotary Club.

Mr. Ward's sudden passing at his home, 27 Centre Street, Picton, on Friday night, July 27, 1962, came as a great shock to relatives and friends. Though he had suffered from a heart condition, he had been active during the day of his death. He possessed a friendly, helpful disposition which added to his many friends. His time and talents were ever at the disposal of those who might seek them.

Mr. Ward is survived by his wife, the former Bessie Ashley, one son, Jack H. Ward, P. Eng.; two grandsons, Steven and Lindsay; one sister, Mrs. P. A. Reynolds of Lima, Ohio. His parents and a brother predeceased him.

Jehovah Witnesses
Hold Campaign
At Cobourg

Jehovah's Witnesses from Stirling were in Cobourg last week-end where they joined forces with 16 other congregations for a concentrated public gospel preaching campaign, according to Mr. Walton Liddister, spokesman for the local group.

The campaign was in connection with their semi-annual circuit assembly, a gathering of some 868 persons, held in the Cobourg Arena.

The convention theme was "Faithfully Increasing Our Praise to Jehovah," and speakers applied this to the ministry of calling at homes to discuss the Bible with householders and distributing Bible literature.

Ten thousand leaflets were handed out on the streets and from door to door inviting the public to hear Mr. Laurier Saumur, supervisor of ministers in Quebec and eastern Ontario, deliver his Sunday afternoon address, "Who Will Rule the World?"

In the opening part of his discourse Mr. Saumur said, "Today everyone wonders: who will rule the world? Will it be East or West? We could ask, 'Who is ruling the world now?' At 2 Corinthians 4: 4 the Bible says Satan is 'The god of this world'."

"Does this mean that today's world is out of control?" Mr. Saumur asked. "Out of man's control, yes! But not out of God's control," he declared.

"Will God wait until man has blasted himself off the face of the earth? No! He will stop all wickedness and then bless those who wait for him even as he promised through Isaiah."

In a concluding appeal to his large audience, Mr. Saumur said, "Jehovah's Witnesses urge you to consider these things and take your stand now for God's Government and his Prince of Peace that you might find deliverance when the wicked are destroyed and 'God's will is done in earth as in heaven,' even as you have many times prayed."

ah's Witnesses urge you to consider these things and take your stand now for God's Government and his Prince of Peace that you might find deliverance when the wicked are destroyed and 'God's will is done in earth as in heaven,' even as you have many times prayed."

A Letter To The Editor

The Editor,
The Stirling News-Argus,
Stirling, Ontario.

Dear Sir:

It is always a matter of the greatest importance to see that one is getting good value for his money, and your correspondent, "A Parent and a Taxpayer" (last week's issue of your paper) is more than justified in trying to find out "High Costs — What For?" It is our intention to attempt to help enlighten him on this matter.

Your correspondent is perfectly correct in assuming that all costs — especially education costs — will keep on rising, and, the pundits say, will soon be double what they are now. At the moment this is due to the fact that on account of the development of automation, there is very little hope of employment for the boy who finishes his schooling before completing Grade XII, so that more and more students are staying on at school. Teachers' salaries are also likely to rise, but the fact is that these salaries seem high only when they are compared to what they were ten or fifteen years ago, when, as everyone knows, teachers were grossly underpaid. In fact, statistics go to show that teachers' salaries have only just reached a par with other callings — Holy Orders excepted, to our shame! — which require a university education and a professional training. And the getting of new, qualified teachers is no easy matter, as your correspondent doubtless well knows!

The 1962 Grade XIII examination results in the local High School are undoubtedly not the best, but the records over the past eleven years show that this school, compared with those of the same type has an enviable record of success, very far from being "appalling." (1952, 88%; 1953, 84%; 1954, 91%; 1955, 65%; 1956, 58%; 1957, 75%; 1958, 74%; 1959, 69%; 1960, 89%; 1961, 86%; 1962, 70%). This is especially so when it is clearly understood that it is the policy of this school to allow all students, even those who "scrape" through Grade XII with the barest minimum, to write these public examinations although the authorities are fully aware of what the results will be. Nevertheless, it is felt that even the weak students must be given the chance, and time and again the long shot has come off.

It is unfortunate, however, that a comparison was made between this school and Lakefield Preparatory School. Your correspondent could not be aware of the following facts: Lakefield Preparatory is essentially a private, residential school for boys, where the fee is \$2000 per annum. All homework study is under strict supervision. Admission to the school is

by careful selection, and promotion to Grade XIII is out of the question unless 60% has been gained. As a matter of fact, only eight students were permitted to write the examinations this year, and then only after careful sifting through Grades X, XI and XII, where the average size of the class varies between ten and fifteen boys. Our school could no doubt obtain similar results, if our policy, as outlined above, were changed, but we believe that our present policy is the one that best serves our community.

We are sorry your correspondent is so misinformed about extra help in and out of school. Every teacher is available at all times, especially between 3.15 and 4 p.m., to help the student who desires to work. There has been one occasion when a teacher at a parent's request, has actually gone to a student's home to help him because he was ill, and the question of an extra tuition fee did not even arise! As for help over the telephone — this is not an uncommon occurrence. The students who "drop the subject" are usually those who, finding the subject difficult, are not prepared to do the extra work involved. We wonder here, whether this "Parent and Taxpayer" — if he has a child at school — insists that the child does the required amount of homework at the proper time, sees that the child is given the opportunity to study without the distraction of television or radio, sees that the child is off the streets when he should be at home, sees that late nights — even during the hockey season — are confined to week-ends; After all, the education of the child is the responsibility of the school AND the home, and only seven hours of the school day are spent at school; the influence of the home is as important.

It is indeed true that, in these modern days of rapid transportation, several of our teachers live out of the village. But this is not peculiar to Stirling High School teachers. There are several high and public school teachers, not to mention a host of men and women employed in other ways, who live in Stirling and its environs but earn their salaries elsewhere. Your correspondent should be grateful, as most people are, for the contribution these people make to

What Others Say

FREEDOMS
(Peterborough Examiner)

When we should have been vigorously defending our freedom against encroachments based on convenience and the good of the majority, we were sleeping. Now, post office authorities can open private mail to see if it contains lottery tickets, poets can be arrested for reading their verse in a public park, and ban-the-bomb demonstrators can be arrested for disturbing the peace. Instead of timidly exercising what freedoms we have left only when they are not likely to inconvenience anyone, we should be agitating for the restoration of the freedoms that have been taken from us by practice, if not by statute.

Ideal Weather and Fine Exhibits Combine To Make an Excellent Fair

Grandstand Program 4-H Club, Horse Races and Ladies' Exhibits Featured

Stirling's 104th Annual Fair was favoured with perfect fair weather and a large attendance on Saturday last, and Fair officials are receiving many fine compliments on their efforts towards producing one of the better fairs in the district.

According to fair officials both the exhibits and attendance were up over previous year, and a fine degree of excellence was evident in all departments.

Band In Attendance

Music for the afternoon was provided by Stirling-Rawdon Junior Band, under the direction of Maurice Bell and the members of this comparatively young organization drew well-merited applause for their efforts. Kingston TV stars Brian Olney and Ken Horton, with accompanying artists entertained the large crowd in front of the bandstand.

Exhibits In Main Building

The main exhibit building had its array of produce of garden and field, home cooking that made the mouth water, and handicraft ranging from large quilts to the smaller items of wearing apparel. The excellence of the farm and garden exhibits, as well as the fancy work, drew many fine compliments from the fair patrons.

A number of hobby cars owned by G. Mallory and Bob Burrell were on display. Rainbow Beauty Shoppe, operated by Mrs. L. Howard, demonstrated hair-do's and Berina Sewing Machines were also displayed. Rotary Club playground projects and the 1st Stirling Ranger exhibit also drew their share of interest from fair patrons.

The Trent-Moira 4-H Forestry Club also had an interesting exhibit of various species of tree twigs, leaves and seeds, in the main building.

Lady Directors To Be Congratulated

The Lady Directors of the Fair under the leadership of the President, Mrs. Percy Utman, are to be congratulated on the success of their portion of the Fair. They have worked tirelessly for the improvement of the floral, needlework, school and domestic science sections. Many congratulatory remarks were heard about the quality and the well displayed exhibits.

Since the organization of the lady directors, about four years ago, a great deal has been accomplished in the way of improving the local Fair.

Domestic Science

The Domestic Science exhibit featured a delectable assortment of pies, cakes, cookies, tarts, bread and buns and other examples of home baking, are, bottled goods, eggs and boxed lunches.

Antique Display

The display of antiques sponsored by the lady directors, proved very interesting and fair patrons were unanimous in their commendation of the ladies for their efforts in assembling such a display marking the days gone by.

Colourful Display

The Stirling Horticultural Society provided a colourful display of summer blooms and plants, attractively arranged in separate groups.

Products of farm and garden including a variety of fruits, vegetables, grains and seeds, were also on display.

Ladies' Work

The ladies' work section was by far the largest exhibit, with the domestic science section running second in number of individual items.

Lovely examples of clever and imaginative needlecraft were on display. Included in this division were ladies', men's and children's wear, a thrift division, and home craft sections, featuring quilts, rugs, cushions, crocheted table cloths, dollies, embroidered and cutwork pillow cases, apron and towel sets, stuffed animals and pictures.

A public address system, set up on the grounds and operated by F. DeCarroll, Campbellford, gave splendid service and carried the announcements of events to all parts of the grounds.

Cheese Show

There was a large commercial cheese exhibit with district makers entering a total of close to thirty cheeses, including stiltons and square

Taking Course

David Bell, a member of the local Bank of Montreal staff, is in Toronto taking a two weeks' course.

Has Operation

Mrs. Milton Bird, Oak Lake, underwent major surgery in Belleville General Hospital on Tuesday. The latest word is that she is progressing as well as can be expected.

Sells Property

Mr. and Mrs. Clive White have disposed of their property on the east side of Frankford Road to Andy Clapperton, a foreman at Elaine Footwear. The new owner will take possession in the near future.

Registration For Brownies

First and Second Stirling Brownie Packs will meet in the Community Hall on Monday, September 24th at 4 p.m. for registration. Mothers who have girls 8 years old who wish to become Brownies please bring them to register at this meeting. Registration fee will be \$1.00.

St. Paul's AOTS Club Visits Trenton

Members and their friends of St. Paul's United Church AOTS Men's Club travelled to Trenton Friday night for a ball game at Bayshore Park with the men of Grace United Church.

President Arnold Cronkwright's Trenton team was held to a tie by the Stirling team until the sixth inning, but the last two innings brought a 19-7 score in their favour. B. Hemmerich's homer in the sixth proved to be the only one of the game.

The Grace Church ladies provided a lunch for the social hour following the game. Wendell Camm, President of the Stirling Club, expressed the appreciation of the visiting group for hospitality extended. Rev. P. J. Hommersen brought the evening to a close with the benediction.

Cheese. Don Pollock, of Evergreen Cheese Factory, carried off top honours, with other entrants being Ivan Sine, Thos. Saries, Hoy Huffman, G. Anderson, D. Rowe, D. Carman, R. Laine and H. Elliott.

School Section

It was in the agricultural building that the work of the junior department stood out. There were many fine exhibits of weeds, insects, vegetables and flowers. In addition there were the regular public school classes in drawing, writing and other school work. This exhibit attracted a great deal of attention and doubtless will continue to be a regular feature of the fair.

Cattle and Horses

There was a good entry in the various cattle classes. The exhibitors included Elmhurst Farms, W. A. Danford & Son, Lorne Hagerman, Calvin Sharp, Dave Murray, A. Frank & Sons, A. McComb & Son, Ronnie Cooney, Doug Detlor and Wallace and David Merrill.

In the horse classes some fine animals were put on show by Robert Danford, John Sheridan, Alec Moynes, Cecil Woods, Murray Heath, Jack Ketcheson, Bruce MacPherson, Ed Quinn, Mrs. Dorothy Dorland, Lorne McInroy, W. J. Kellar, Gordon Chapman, James Johnson and Carl Heath.

Good Midway

The midway attractions by Green Amusements were well patronized during the afternoon. A Boy Scout booth also did a flourishing business.

4-H Clubs

A big feature of the fair was the part taken by Stirling District Junior Farmers and 4-H Club members. (See particulars elsewhere).

Dance In Community Hall

The programme was climaxed by a dance in the Community Hall at night. A large crowd was in attendance and thoroughly enjoyed themselves.

(A partial list of winners may be found on page six of this issue).

Local Students Win Bursaries

Principal J. L. Good, of Stirling-Rawdon District High School has announced that Anne Reid has been awarded a Dominion-Provincial Student Aid Bursary, type "A" university, value \$500 and an Atkinson Charitable Foundation Bursary, University, value \$400, and Bonna Dracup a Dominion-Provincial Student Aid Bursary (type "A"), Grade XIII, value \$100. Miss Reid is a daughter of Mr. and Mrs. Percy Reid, Springbrook, and Miss Dracup, a daughter of Mr. and Mrs. Omar Dracup, Harold R.R. 2. Miss Reid has enrolled at Queen's University, Kingston.

Wed. Afternoon Bowling Results

The Merrie Bowlers began their season on Wednesday afternoon of this week. Over 200 games were trundled by Marie Eggleton 205, Bessie Hewton 229, Barbara Noble 210 and 277. High triple went to Barbara Noble, 591.

Team standings — Betty Carr's "Hustlers" 7; Sheila David's, 0; Barbara Noble's, 4, and Marion Palmer's

Chicken Barbecue Proves Successful

The annual chicken barbecue, sponsored by Stirling Encampment No. 80, I.O.O.F., in the Oddfellow's Hall, Charlotte Street, on Tuesday evening, proved a decided success.

Four hundred and twenty halves of chicken, cooked over glowing charcoal coals, formed the main portion of the meal. There were also good things such as potato salad, tossed salad, buttered buns, pickles, sliced tomatoes, coffee and a variety of pie and cheese.

Many fine compliments have been heard on the excellence of the cuisine and the service and Chief Patriarch Glenn Bush and his assistants are to be congratulated on the success attending their efforts.

Transferred

Allyn Warren, of Scarborough, has been transferred from the Queen and Portland Branch of the Bank of Montreal to the Royal York Hotel Building Branch. He started his duties there September 4th. Allyn is a son of Mr. and Mrs. Watler Warren, Stirling R.R. 1.

Purchase of New Books For Home Economics Library Authorized

Oil Contract Awarded Ken Sine — Parents' Night To Be Held During Fall Term

Four new books, with an approximate value of forty dollars will be added to the library of the Home Economics at the local High School, subsequent to a motion passed by the Stirling-Rawdon District High School Board at its regular monthly meeting held Monday night. This action was taken upon a request from Mrs. F. Lyons, teacher of Home Economics.

Dr. R. B. Murray presided and he was supported by H. Morrow, R. Malory, D. Rodgers and Jas. Johnston. Communications were tabled from C. Bateman, County Clerk, re bylaw making the Oak Lake area a part of the local High School District, and Ray Marbury re the projector for the Geography Department.

A letter from S. MacDonald, local Agricultural Representative, announced the Hastings County Plowing Match on the farm of E. Sexsmith, Madoc, September 28th. It also stated three coaching classes would be held throughout the county prior to the event.

The contract from Welding Gases for the year's supply was also tabled and accepted by the Board.

J. Irish, caretaker, reported replacement of a broken window and painting of bulletin boards and cupboards. He stated the boiler inspection had shown it in good condition and reported several minor repairs to school property. His report was adopted on motion of Messrs. Rodgers and Malory.

Principal J. L. Good stated that R. W. Froats, of Kingston, the new District High School Inspector, had paid a visit to the local school. A report of the Grade 13 examinations by the local pupils showed them successful in 70 per cent of the papers, stated Mr. Good, who listed the results as 15 first class honours, 16 second class, 14 third class, and 51 credits. Those attending the Summer School held in Kingston had been quite successful. The principal gave an outline of the school time table and stated secretarial help was required. The Board authorized the engagement of Mrs. C. Potter on a part-time basis, at the discretion of the Principal, at \$150 per hour.

A request for use of the gymnasium by the badminton group was granted. Spike heels worn by the ladies and steel plates on the heels of shoes worn by the male students are banned forthwith in the local school as a result of damaged floors. The Principal was instructed to acquaint the students and staff with this decision of the Board.

It was also pointed out that some of the science room desks had been damaged by students flexing their leg and arm muscles and that foreign matter was being burned in the shop forge, causing it to clog up and smoke. These matters were left in the hands of the Principal to remedy.

57th Anniversary

Congratulations are extended Mr. and Mrs. J. B. Belshaw, Front St., who are celebrating their 57th wedding anniversary today (Thursday) September 20th.

In Hospital

Friends of Mr. David Cotten will regret to learn that he is a patient in Belleville General Hospital.

Correction

In last week's issue it was stated that the presentation to Mr. and Mrs. J. Kuening was held at their home. It should have read at the home of Mrs. E. A. Luery.

Girl Guides Meet

The first meeting of the Stirling Girl Guides was held September 10th at the home of Captain Mrs. Edwin Warren. The District Commissioner, Mrs. R. Luery, was present and introduced Mrs. A. Wagner to the Guides as their new Lieutenant.

The evening was spent around the campfire, singing songs and the Guides telling of their experiences at the summer camp held at Waupoos. The evening closed with refreshments — marshmallows and "dampers" (made with biscuit dough wound around "green" sticks) cooked over the fire and filled with jam.

Second Meeting

The second meeting was held on Monday evening at the Community Hall. New patrol leaders were appointed and the Guides assigned to their patrols.

The Guide leaders are attending the training sessions held in Belleville each Thursday evening for the next four weeks.

discussing their children's progress was discussed at length and a definite date will be set later.

The matter of pupils dropping subjects during the school year also came up for an airing. The consensus of the Board was that no pupil should be allowed to drop a subject prior to Christmas and only then after consultation between the Principal and the parents of the pupil concerned.

Oil Tender

The tenders for supplying fuel oil to the school for the year were opened and the contract awarded Ken Sine, who had the lowest tender.

The following accounts were approved for payment:

Welding Gases, \$20.00; Keystone View Co., \$320.40; Tanner's Service Station, \$7.07; Gestetner, \$59.32; MacMillan Co. of Canada, \$6.57; Canadian Reader's Book Club, \$11.42; J. L. Good, \$13.99; Jos. W. Thompson, \$68.79; Superior Propane Ltd., \$40.64; Mark Tripp, \$16.44; Hatton Hardware, \$48.94; Stirling Public Utilities, \$47.61; Maund's Service, \$27.55; R. E. Shortt, \$12.00; G. C. Mouck, \$4.32; Stirling News-Argus, \$2.50.

Achievement Day For Three 4-H Clubs of County Held Saturday

Thirty-one Calf Club Members Completed Project — Corn and Forestry Clubs

Three of Hastings County twenty-eight 4-H Clubs held their Achievement Day at Stirling Fair on Saturday, September 15th, under bright sunny autumn skies. The three clubs were the Stirling 4-H Calf Club, Hastings 4-H Sweet Corn Club and the Trent-Moira 4-H Forestry Club.

Thirty-one of the thirty-four members of the Calf Club completed their project by exhibiting their calf at the fair. The calves were judged and placed in three groups — A, B and C, under the careful eye of Mr. Lindsay Anderson.

Those members exhibiting Junior Holstein calves, placed as follows, with the A Group being placed 1 to 9, whereas B and C are not necessarily placed so.

Group A — Ted Reid, Kalvin Sharp, Barbara Chambers, Ken McConnell, Garry Thompson, Anne Sutherland, Douglas Potts, Bill Heath and Fred McAdam.

Group B — Paul Bailey, Norma Hoard, Betty McAdam, Grant McGee, John McGee, Jim McMullen, Donald Mumby, Leslie Nelson, Irene Pollock, Ronald Reid, Ken Smith.

Group C — Gerald Stapley, Sidney Visser, Barry Pyear, Paul McInroy, Dennis Gray.

Four members exhibiting Senior Holstein calves placed in the A group in the following order: Glen Hagerman, Grant Reid, Grant Hagerman and Joe Hagerman.

David and John Murray exhibited two Ayrshire calves, both of which placed in the A group.

In the Showmanship Class the placing was as follows:

Group A — Glen Hagerman, Kalvin Sharp, Ted Reid, Grant Hagerman, Ronald Reid, Joe Hagerman, David Murray, Grant Reid, Barbara Chambers, John McGee, John Murray, Anne Sutherland, Fred McAdam, Ken McConnell and Garry Thompson.

Group B — Paul McInroy, Jim McMullen, Don Mumby, Leslie Nelson, Irene Pollock, Douglas Potts, Barry Pyear, Paul Bailey, Bill Heath, Norma Hoard, Betty McAdam, Grant McGee, Ken Smith, Gerald Stapley and Sidney Visser.

Following is the standing of the Stirling 4-H Calf Club out of a possible 1000 points:

Kalvin Sharp 942, Barbara Chambers 931, David Murray 927, John McGee 917, Ted Reid 916, Grant Hagerman 914, Joe Hagerman 914, Anne Sutherland 902, Grant Reid 897, Ken McConnell 896, John Murray 895, Fred McAdam 892, Glen Hagerman 891, Douglas Potts 877, Ken Smith 875, Garry Thompson 873, Leslie Nelson 869, Norma Hoard 866, Getty McAdam 860, Don Mumby 859, Barry Pyear 850, Bill Heath 856, Ronald Reid 855, Jim McMullen 842, Irene Pollock 837, Paul Bailey 832, Grant McGee 809, Gerald Stapley 802, Paul McInroy 725, Sidney Visser 590.

Forestry Club Trent-Moira 4-H

Each member had to exhibit 20 common forest tree leaves and one of the following: 20 winter twigs of forest trees; 10 fruits of forest trees, or 10 wood samples of forest trees.

Top forestry exhibits went to Kalvin Sharp and Ken Smith, of Stirling, South Hastings 4-H.

Sweet Corn Club

The South Hastings 4-H Sweet Corn members each exhibited six ears of corn. First and second exhibitors went to Glen and Joe Hagerman respectively.

Bowl At Campbellford

Messrs. Eugene Burrell and Ted Barnard attended the men's doubles tournament in Campbellford on Wednesday. The local pair won two games of three played.

93rd Anniversary Wellman's Church

Wellman's United Church celebrated its 93rd anniversary on Sunday, September 16th. There was a large attendance at both morning and evening services.

Mrs. Craig Watson presided at the piano choosing as the prelude for the morning service, "Arietta," by Stickler. The offering selection was the theme from "I Know That My Redeemer Liveth."

The Wellman's choir, under the leadership of Mrs. Gerald Clancy, sang "He's My Friend," by Ellen Jane Lorenz, with Mrs. Kenneth and Miss Nancy Tompkins taking the duet part. The second anthem for the morning service was "Don't Forget To Pray," with Miss Lois Morton singing the solo portion.

Rev. James A. Payton
Guest Minister

Rev. James A. Payton, B.A., B.D., of Grace Street United Church, Trenton, was the guest minister. The hymns chosen by Rev. Payton for the opening part of the service were "Fill Thou My Life, O Lord My God" and "Take Time to be Holy."

Psalm LXXXIV was read responsively and Rev. Payton read chapter XII of Romans, choosing his text from

this selection.

Rev. Payton's sermon was very impressive using "The Church as a Means of Grace" for the subject. He defined the Church not as a building but a dedicated group of people witnessing for Jesus Christ. It is the work of every living Christian person to carry on the Lord's work with all the love, anxiety and determination with which Jesus Christ worked.

Rev. Payton emphasized the fact that mere attendance and giving of money are very, very small measures of the work that we should do. It is the giving of ourselves that is required, work of Jesus Christ that is required. We must work, give and accomplish, willingly, leaving all hesitation and grumbling completely out of the picture. It is our willingness to work, our love to work, and determination to accomplish that give us our position as members of the Church. Denomination, creed, race or colour make absolutely no difference whatsoever, but action with the proper feeling is what is so badly needed.

Both Rev. Payton's opening and closing prayers were pleas to God to help people of the church to take their proper stand, so badly needed today. The hymn, "O for a Closer Walk with God," was a very fitting conclusion to the service, after which Rev. Payton pronounced the benediction. Mrs. C. Watson used for the

postlude "Triumphal March," Evening Service

The prelude to the evening service was "A Prayer," rendered on the piano by Mrs. Craig Watson. "Melody in G" was played while the offering was gathered.

Rev. W. G. Fletcher, B.A., of Rawdon Circuit, gave the call to worship, announcements and dedicatory prayer. He also extended appreciation to Rev. J. A. Payton, Mrs. Harold West, St. Paul's Junior Choir, Mrs. Gerald Clancy and Wellman's Choir for their part in the service.

The opening hymns were "Jesus, Where'er Thy People Meet" and "The Church's One Foundation."

St. Paul's

Junior Choir

St. Paul's Junior Choir, Stirling, under the supervision of Mrs. Harold West, sang two anthems in the evening, "Prayer" and "The Day Thou Gavest," with Margaret Hommersen and John Svoboda taking the solo parts.

Rev. Payton

Rev. Payton again deeply impressed the people with his topic, "The Church as a Living Body," which followed closely the theme of the morning service. Rev. Payton read the first 6 verses of the 3rd chapter of Revelation and a portion of the 12th chapter of I. Corinthians, with emphasis on the 27th verse, "Now ye are

the body of Christ and members in particular." He also read the answers to two questions in the catechism "What is the Church?" and "What is the task of the Church?"

Once again as he did in the morning, Rev. Payton emphasized the fact that the church is not a building of stone, brick and mortar, but a dedicated group of people. The Church is the body of Christ and we are to be the witnesses. We are His physical body. We are obligated to live in such a way that our lives are a grace to the world. We are not just to worship God but help redeem the world. We are to dedicate our hearts and lives to Jesus Christ as living works accomplishing something. The Spirit of Jesus Christ never was needed so badly in the world as it is today.

"Soldiers of Christ Arise" was a very fitting concluding hymn, after which Rev. Payton pronounced the benediction.

Mrs. C. Watson chose "The Crusaders" as a postlude to the evening service.

The members of St. Paul's Junior Choir, Stirling, enjoyed a social half hour with Wellman's Choir at the conclusion of the evening service.

A young woman hailed a taxi. "Maternity hospital, please" she told the driver. "But don't hurry — I only work there."

Eggleton U.C.W.

The September meeting of Eggleton United Church Women was held Thursday afternoon at the home of Mrs. William McMullen.

Mrs. Warren Harlow presided over the programme which had been prepared by Mrs. Bruce Stapley and opened the meeting with the call to worship and the hymn "Come Thou Almighty King," with Miss Joyce Stapley as pianist. The Scripture reading, Acts 17: 22-28, and the commentary on the lesson was given by Mrs. Charles Stapley.

The offering was gathered and dedicated with prayer by the minister, Mr. G. Dyson. Eleven adults and 2 children were in attendance.

The October meeting will be held at the home of Mrs. Forde Stapley and Mrs. Bert Reide was appointed to prepare the programme.

The Community Friendship Secretary, Mrs. B. Stapley, reported on calls made; also on cards and gifts sent out during the month.

A number handed in their gifts for the children at Curve Lake; also several parcels of nylon hose were brought for the supply secretary to pack and send away.

A lovely solo, "The Beautiful Garden of Prayer," was contributed by Mrs. Maurice Clancy.

The chapter from the study book "Chrysanthemums Transplanted," was given by Mrs. B. Reide. A poem, "Her Consecrated Car," was read by Mrs. W. McMullen. A Bible quiz was conducted by Mrs. B. Stapley. The meeting closed with a hymn and benediction by Mr. Dyson.

Dainty refreshments were served by the hostess.

September Meeting Rylstone W.I.

Mrs. Stanley Kerr, President, was hostess to the women's Institute at her home on Wednesday afternoon last when there was an attendance of 10 members and one visitor. It was the Historical Research meeting and

convened by Mrs. Gerald Petherick.

The meeting opened by the President with the Institute Creed and the Lord's Prayer. The roll call was answered by "an important date in history — and why?" Mrs. Jack Watson and Mrs. Don Kerr were chosen as leaders to attend a senior training school at Madoc for the course "The School Meal." Arrangements are being made to have a special speaker on "Cancer" for the November meeting. A quilt, made previously by the Institute members, will be, along with a cash donation, presented to the Petherick and Tinney families who were victims of a disastrous fire over a week ago.

Programme

Readings, "How to Feel Better," by Mrs. Fred Fry; "Harmony," by Mrs. Jack Watson; "Value of a Smile," by Mrs. Gerald Petherick. A kitchen shower contest was conducted by Mrs. Don Kerr. Mrs. Don Stewart and Mrs. Jack Watson were the program committee.

While refreshments were being prepared and served the hostess treated the ladies to some recorded music.

Keith Kerr, 10-year-old son of the hostess, arrived home from school in time to cut his birthday cake and share it with the ladies as they celebrated with him.

Refreshment committee with the hostess were Mrs. Don Kerr and Mrs. Carl Reid.

Hostess for the October meeting will be Mrs. Percy Reid.

Do You Remember?

TWENTY-FIVE YEARS AGO
ISSUE OF SEPTEMBER 16th, 1937

Special services marked the re-opening and rededication of St. Paul's United Church on Sunday last, when Rev. Prof. J. R. Watts, D.D., of Kingston, Theological College, was guest speaker.

Rev. J. E. Beckel and H. C. Martin were re-elected Secretary and Treasurer, respectively, at the fall meeting of Belleville Presbytery held in Tweed September 14th.

Buster Munro, son of Mr. and Mrs. Arthur Munro, who recently moved to Belleville from this Village, was killed when hit by a car on Tuesday.

Rev. J. A. Koffend, of St. Andrew's Church, was elected Moderator of Kingston Presbytery, at a meeting held in Belleville Tuesday.

Operations were started this week on laying a permanent surface on Highway No. 14 from the bridge on Front St. east and south to the Village limits.

Local and Personal

Mrs. W. J. Whitty and Mrs. C. R. Bastedo visited Mrs. W. Wiggins, of Campbellford, on Wednesday.

Mr. and Mrs. Thos. Shaw, Kapuskasing, were recent guests of Mr. and Mrs. Harper Rollins.

Mrs. D. A. Montgomery and daughters, Dorothy and Shirley returned home Saturday, after spending the summer vacation in Trenton.

Miss Margaret Anderson, R.N., left on Monday to spend some time in Montana.

Carmel Mrs. Harry Hagerman underwent an operation in Belleville Hospital on Thursday.

Mr. and Mrs. Arthur Brown and Mr. and Mrs. Chester Hoard were Sunday visitors of Mr. and Mrs. Reg Parks, Cannifton.

Springbrook

Wm. Waller, of Saskatchewan, a former resident, is renewing acquaintances in the district.

Mr. and Mrs. Fred Mather and sons, of Bulyea, Sask., are visiting friends and relatives here.

Rawdon AOTS

President Craig Watson opened the regular supper meeting of Rawdon AOTS Men's Club held at Bethel on Thursday, September 13th. Robert Hoard was Sgt.-at-Arms.

Rev. W. G. Fletcher had charge of the installation of officers as follows:

President — Hugh Lyons
Vice-President — Robert Hoard
Secretary — John Carlisle
Treasurer — Glen Heath

Following the installation ceremony President Hugh Lyons had charge of the meeting. The fellowship report was given by Herb Smith, follow-

ed by the devotional given by Bill Heath.

President Hugh introduced the guest speaker, Constable Sears, of the Ontario Provincial Police Mado.

Thanks was voiced to all those who had taken part. The meeting closed with prayer by Rev. Fletcher.

Re Live Polio Virus Vaccine (Sabin)

The following letter was received by Dr. H. G. Parkin, Marmora, Medical Officer of Health for Rawdon Township, from the Ontario Department of Health regarding polio vaccine:

Dr. Dr. Parkin:

A press release was issued in Ottawa, September 13th, 1962, by the Deputy Minister of National Health which stated that a reappraisal of Canadian experience in the use of live polio virus vaccine was warranted. This was based on the occurrence of one case of clinical reaction involving some degree of paralysis in approximately each million persons fed the vaccine since its introduction in Canada. It was considered, therefore, that there should be a temporary deferment in the oral vaccination programme to permit more complete investigation.

As a consequence the live polio virus vaccine which you ordered from the Department for use in the immediate future will not be shipped to you for the time being. You will receive further advice concerning this whole matter just as soon as additional information is available.

Yours truly,

G. E. Large, M.D., D.P.H.,
Director Epidemiology Branch

An Atkinson Bursary has also been awarded to Patricia Blakely who will be taking the Home Economics Course at Kemptville.

Dominion-Provincial Bursaries have been awarded to Ron Peate and Garnet Holmes who are continuing their Grade 13 studies. —North Hastings Review.

McCoy -- Matthews Nuptials at Burnbrae

Standards of pink and white glad-tail and a beautiful fern graced the altar of St. Andrew's Presbyterian Church, Burnbrae, and white satin bows with sprays of fern designated the guest pews for a pretty summer-time wedding on Saturday, August 18th at 3 p.m. when Lulubelle Matthews, of Toronto, formerly of Harold, daughter of Mr. and Mrs. Robert Matthews, became the bride of Garland Ralph McCoy, of Toronto, formerly of Bonarlaw, son of Mr. and Mrs. Bert McCoy. The Rev. A. E. Toombs, pastor of the church, officiated in the double ring ceremony.

The church organist, Mr. Gerald Taylor, provided the traditional wedding music, rendering Purcell's Trumpet Tune for the recessional and accompanied the soloist, Mrs. Jim Pollock, as she sang "I'll Walk Beside You" before the ceremony and "The Wedding Prayer" during the signing of the register.

Given in marriage by her father, the bride was radiant in her floor-length gown of silk organza. The gown featured a fitted bodice with a high square neckline, elbow-length sleeves and front panel of French, appliqued lace embroidered with seed pearls. The bouffant skirt was accented by full pleats from the front panel. She wore a tiara with fingertip veil and carried a cascade bouquet of red roses mingled with white stephanotis and trailing ivy. A single strand of pearls and matching earrings completed her ensemble.

She was attended by Miss Brenda Matthews, of Toronto, sister of the bride, as maid of honour, and by Mrs. Andrew Gray, of Kingston, and Mrs. David Klahn, of Toronto, as bridesmaids. All the attendants were gowned alike in aqua silk organza sheaths with bell-shaped overskirts and short sleeves. They also featured the high square neckline of the bride's dress. Their headpieces were matching roses with short veils and they carried crescents of white chrysanthemums interwoven with aqua-tinted lace. Single strands of pearls and matching earrings completed their nuptial costumes.

Miss Janice Morton, niece of the groom, was a sweet flower girl in her short dress of white nylon over aqua taffeta with matching sash and white headpiece. She carried a tiny basket of white and aqua-tinted baby 'mums. Master Collin Matthews, brother of the bride, was ring-bearer wearing a blue blazer and gray flannels and carried the rings on a white satin pillow edged with lace.

Mr. Ronald Evoy, of Ottawa, attended the bridegroom while Mr. Earl Bowen, of Foxboro, brother-in-law of the bridegroom, and Messrs. Arnott and Malcolm Matthews, of Harold, brothers of the bride, were ushers.

The reception was held in the church parlour where the bridal table was appointed with white damask centred by the three-tier wedding cake flanked with tall pink candles in silver candelabra and surrounded by the bridal bouquets. The bride's mother received the guests wearing a rose beige sheath of silk organza with beige accessories and corsage of white carnations. She was assisted by the bridegroom's mother who wore a blue and white printed silk dress with white accessories and corsage of pink and white carnations. The reception closed with Miss Sharon Matthews, sister of the bride, playing several selections on the piano as

the happy bride and groom passed out pieces of wedding cake.

For leaving on their honeymoon to Muskoka and points in Eastern Ontario, the bride chose an aqua linen sheath and jacket with printed silk bodice and wore a white petalled hat, white accessories and a corsage of white carnations.

Guests were present from Ottawa, Montreal, Kingston, Toronto, Simcoe, Hamilton, Oshawa, Belleville, Lindsay and Norland.

Mr. and Mrs. McCoy are residing at 38 Duggan Avenue, Toronto, Ont.

Prior to her marriage, the bride was honoured by miscellaneous showers at the home of Mrs. Katie McIlhinney, of Toronto; by the girls of

Ontario Hydro, Toronto, with Mrs. David Klahn and Miss Joan Drinkwater as co-hostesses, and at the home of Mrs. Omar Dracup, Harold, with guests being former classmates and friends. She was also honoured at a luncheon by the girls from her office when she was presented with a Spanish brooch and earring set, and by a presentation of a nest of three Italian Provincial walnut tables by the staff employees of the Property Division of Ontario Hydro, in Toronto.

A Letter To The Editor

In answer to the parent-taxpayer we would like to have our say. It is quite obvious that this person never went to school under our present staff. If he had he would not have such an erroneous opinion.

During the last five years at Stirling High School not one of us has ever asked for help and not received it. A student who is willing to work and is interested in his studies has only to ask a teacher for assistance and it is given. Our teachers do take the time and do feel a responsibility to give personal attention to every student who wants and needs it.

The present members of our school board and their predecessors have given endless hours of their time during the past five years to assure us of a modern educational centre. We now have one of the best equipped schools in our area and everyone in Stirling can speak proudly of our modern classrooms. We are aware that it is the parents and other taxpayers who are shouldering the expense of this new building and we, as students, are grateful to them.

The parents, we hope, will find their reward in the better education that their children are receiving under the direction of our well trained staff; the others, we hope, will accept this extra expense as a necessity of our modern age.

Mr. and Mrs. T. H. Robertson, of Peterborough, spent the week-end with Mrs. D. Wellman at Deer Haven cottage, Crowe River.

Mr. and Mrs. Clark Haig, of Peterborough, attended the funeral of the late W. T. Allen on Monday.

Mr. S. H. Gifford, of London, is visiting his sister, Mrs. Dave Wellman and family.

Mr. and Mrs. Ralph Wellman visited Mr. and Mrs. E. Vaness, Trent River, on Wednesday evening.

Mrs. Gerald Broadworth and Mrs. Gerald McPaul spent Wednesday in Belleville.

The way money goes these days it would be easy to convince people that it is printed on fly paper.

Public Hearing of Briefs

Tourist Industry Committee
Ontario Economic Council

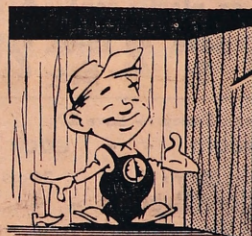

Napanee

Oct. 3, 10.00 a.m.
County Memorial Bldg.

The public is invited to attend a hearing of briefs concerning the present and future role of Ontario's tourist industry. At the same time, the Committee invites submissions from the floor. We request that 6 copies of the brief be submitted at least one week prior to the hearing. The purpose of the committee is to assess all aspects of tourism in Ontario and to formulate recommendations concerning:

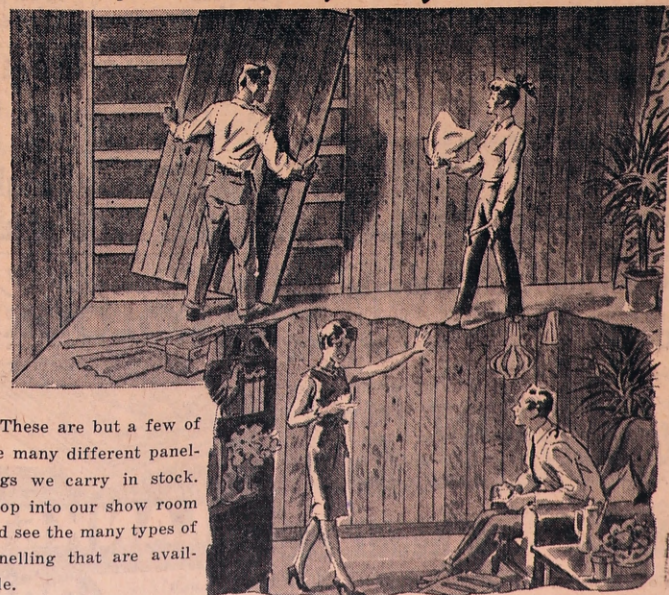

1. The relative effectiveness of current government assistance to participation in the tourist industry.
2. An evaluation of strengths and weaknesses within the tourist industry itself.

Entered Into Rest

MRS. FRED RUPERT

Mrs. Carrie Rupert, R.R. 6, Belleville, died at the Belleville General Hospital on Wednesday, September 12th, following a short illness, in her 79th year.

Born in Huntingdon Township, a daughter of the late Mr. and Mrs. Francis Juby, she was a lifetime resident of that area. She married the late Fred Rupert and was a member of Bethany United Church.

Surviving is one son, Harold, R.R. 6, Belleville; a brother, Robert Juby, of Prescott; three grandchildren and one great grandchild.

The funeral service was held from the Thomas C. Thompson Funeral Chapel, 38 Everett Street, Belleville, on Saturday afternoon. The service was conducted by Mr. Cecil Dawson. Interment was at Victoria Cemetery.

Pallbearers were Messrs. William Anderson, Percy Rollins, Harry Van Volyenburgh, Harry McPherson, Norman Christie and John Harrison.

If you want to know what's behind the headlines, ask any housewife. She'll tell you it's her husband, especially at the breakfast table.

River Valley Women's Institute Meeting Based on Agriculture

The September meeting of River Valley Women's Institute was held on the sixth at the school kitchen with Mrs. Philip Conley as hostess. The room was decorated with bouquets of summer blooms. There were 20 members, two visitors and several preschool children in attendance.

Mrs. Kenneth Myers opened the meeting in the usual manner. Mrs. Ross Bush read a timely article on the theme, "Don't Worry." This stressed that time should be set aside for rest and relaxation. Mrs. E. C. Hay-Elis read, "A New Industry, the Processing of Rabbits." Mrs. Roy Tucker read "Fashions for Stout People." Mrs. Ernest Carr gave a citizenship message and Mrs. Philip Conley read an article on "Handmade Milk."

The Pennies for Friendship were gathered and Mrs. Roy Tucker reported \$2.40 for August. She read an article from the special conference issue of the Countrywoman Magazine and displayed various pages of interest. She also read two articles from the July issue entitled, "The last lap with final preparations for the tenth Triennial Conference and an article re Mrs. Ray Cooper, of Washington, U.S.A., and her successful women's choir."

Financial Report

Mrs. Sheldon McIntosh, a member of the building committee, gave a full report of the recent money venture when new shelves and cupboard doors were completed in the school kitchen, at a cost of \$100. This bill was authorized to be paid at the last meeting. It was decided to have wall-board placed on the hallway leading to the kitchen and to canvass each member for a one dollar donation to cover cost of this piece of work.

The members are asked to bring their finished pot-holders on October 4th. Ten members handed in 24 holders at this meeting. The patterns are maple leaves or trilliums, however, any pot-holders either made or purchased will be accepted, and sent in the Friendship Link Christmas parcel to Abbot's Leigh Women's Institute in England.

Mrs. Percy MacMullen, public relations officer, said that six articles of handicraft were chosen from all of Britain to be displayed in Australia. One was a patchwork tea cosy. She also said that just recently Judge Emily Murphy, better known as Janey Canuck, of Edmonton, Alberta, was honoured with a plaque in her memory. She was born at Cookstown on March, 1868 and died in Edmonton in October, 1933. She was the first president of the Federated Women's Institutes of Canada. It is to her credit that Canadian women were at least recognized as persons with legal rights, even to hold office in the Senate of Canada.

Judge Murphy was the first woman in the British Empire to be appointed as police magistrate. In 1916 she pioneered in this office in the Province of Alberta.

Mrs. MacMullen also displayed a leaflet from the National Federation of Women's Institutes in England, stressing the work done by this organization.

The Secretary, Mrs. George Heasman, read various letters which included a message from Miss Elizabeth Spouse the new home economist; a thank you note for funeral flowers, and a letter from F.W.I.O. president, Mrs. L. G. Lymburner, of Port Colborne. This letter outlined

plans for a farm radio forum broadcast on February 4th, 1963. It also stated that F.W.I.O. had the golden opportunity to assist Pearl Isachsz of Ceylon to have a year's intensive study at Macdonald Institute, Guelph. The study is on food and will cost \$1,000. It is hoped that all the branches will contribute to the International Scholarship Fund. This fund to August was over \$14,000.

Fine Programme

Mrs. Roy Bush presided over the programme based on agriculture. She first introduced Mrs. Clyde O. Byers, of Alliquippa, Penn. U.S.A., who with her husband is holidaying along the Trent River. Mrs. Byers displayed two magazines and gave a descriptive account of how this display advertisement on the centre page was arranged by her husband for the steel industry. The group enjoyed Mrs. Byers' most interesting narrative.

Mrs. Jack Bush read a humorous selection entitled "All the other kids have one."

The topic was based on the theme "Is there a place for rural living in our modern Canadian living?" Mrs. Roy Bush quoted the poem "Barefoot Boy" written by Whittier as a prelude to her topic. She stated "Years ago folks lived hand in hand with nature and they ate the cream of the crop themselves. Today the cream of the land is being sold off as lots to city dwellers who are looking for a life of freedom with less taxes. Many of our great leaders have come from rural areas. Even today with so much unrest there are many rural minded people who believe that the family farm is the real backbone of agriculture. A farmer who can succeed must always be ready for the various changes, however we must respect and honour our way of living."

At this point Mrs. Bush displayed several farm magazines that were filled with material of interest to farm families. Farm people need food, shelter, work, happiness, time for leisure, to read, to worship, to build, to progress and improve. Rural folk need clothes suitable for their jobs and no one needs to be ashamed of helping with work around the farm. The Junior Farmers are doing a wonderful job of emphasizing the value of the farm communities. The cheapest farm implement today with practically no depreciation is a good lead pencil. A farmer must keep books in order to check his progress. A boy on a farm is much better equipped for his life work if he has learned the value of doing chores and having special work that he is responsible for doing.

Mrs. Bush closed her most informative topic with a poem by J. G. Holland, "God give us men whom the spoils of office cannot buy."

Mrs. Fred McDonnell gave a splendid demonstration of equipment needed in the caring of sheep and said that perhaps the public knows that there is no substitute for wool. "Nature not man makes Wool." Man has never succeeded in making a textile fibre to equal the one found on the back of a sheep. The story of wool dates back to man's earliest history. The sheep was one of the first animals to be domesticated and it has provided man with two of the basic necessities of life, food and clothing. The Babylonians used wool fabric in 4,000 B.C. and later all the Asiatic tribes were raisers and breeders of sheep.

Eastern Breeders Appointment

Eastern Breeders Incorporated, Kemptville, Ontario, are pleased to announce the appointment of Mr. W. Glynn Thomas, of Gananoque, Ontario, as Secretary-Treasurer.

Formerly Secretary-Treasurer of an Arrprior lumber firm, Mr. Thomas brings to Eastern Breeders some 30 years experience in the accounting field. Mr. Thomas is a veteran of World War II having served with the Royal Canadian Army Pay Corps as Staff Captain and Audit Officer. Active in church work, he is also a member of the Gananoque Rotary Club and a Mason.

Eastern Breeders Incorporated was formed as a result of the amalgamation of Quinte District Cattle Breeding Association, Belleville, Ontario and Eastern Ontario Cattle Breeding Association, Kemptville, Ont. This organization is presently offering service to nine breeds of cattle in sixteen Ontario counties and five counties in Western Quebec.

When the Romans landed in Britain in 55 B.C. they found that the Britons possessed flocks of sheep and had developed a wool industry. Sheep were brought to the New World by Coronado the Spanish explorer in 1540. Mrs. McDonnell showed samples of unwashed wool and told of the value of lanolin which is used for face cream manufacture. She also displayed woven wool blankets; yarn from a woolen mill in the county, and she gave a vivid description of the care of the sheep on their own farm; the sale of lambs, and also much valuable information in the sheep raising business.

Mrs. Roy Bush displayed several pieces of woven mats, stair carpets, all of which were most colorful. Mrs. McDonnell also displayed a large tablecloth depicting all the prominent places of West Germany. Her son, WO Arthur McDonnell with his wife and family are stationed at Soest, Germany.

Mrs. Roy Tucker will be hostess for the next meeting on October 4th based on home economics and topic will be homemaking.

The hostess and lunch committee served fruit bread, cheese, celery and coffee and all enjoyed a social half hour.

Mrs. Charles Wilson on behalf of the group voiced thanks to the special guest and to the programme committee for their varied information. She also expressed thanks for the hospitality and refreshments and extended congratulations to Mrs. Percy MacMullen who was observing her 46th wedding anniversary.

looked me in the eye. "We've only been here three months. We'll put it in good shape in time. It's not — well, I've got no education, but I can make a living here and be independent."

I nodded.

"I sure like being independent," he said.

On our long trek back to our cottage the twins were quiet, for them. Then Martha said, "Goosh, — she's lucky. We got only two months, but she's here all year round!" They went on in that vein all the way home, envy in every phrase.

I didn't reprimand them. I felt a little bit the same way. I sure like independence, too!

Springbrook U.C.W.

The September meeting of Springbrook United Church Women was held September 6th at the church with a good attendance. The President, Mrs. R. Wellman, opened the meeting by welcoming back Mr. and Mrs. H. Pillen after their annual vacation. She also welcomed the members and visitors. Mrs. Wellman gave the purpose of the U.C.W. — means christian educational meetings, work, witness and service of the church. The theme song was sung.

The worship service was conducted by Mrs. G. McFaul using the theme "Glorious Promise." The 27th Psalm was repeated in unison, followed by a prayer, "Jesus Saviour, Pilot Me," was sung. The prayer for missionaries was given by Mrs. H. Pillen. The collection was gathered by Mrs. G. Broadworth and dedicated by Mrs. B. McCoy. Mr. Pillen gave the benediction.

Mrs. R. McKeown gave the topic, "Christian Education" with a question and answer period. Some of the questions discussed were: What is the purpose of this discussion of U.C.W.? What is Christian Education? Name some of the groups in our church? Are christian education and missionary education the same? Is there any difference between christian education and evangelism? Is the value of christian education lost if it does not lead to a personal encounter with God? It has been said that christian education is just good for children. Why intensified christian leadership is essential? What qualities do we require in leadership? Name some ways we may share in christian education. What are some other ways to be interested? How can we communicate? What is the symbol of the new curriculum? What is the aim of christian education and evangelism?

Mrs. McKeown asked the leaders of various groups to report on their activities. Mrs. D. Fleming, leader of the Messengers, reported seventeen in the group last year, age six to eight years, and that they would be starting later in September with the meetings on Monday afternoons. They are to study about Korea.

Mrs. Pillen, leader of the Explorer's Group, stated that the members are from nine to eleven years of age. They use a mission packet and this year will study Japan and its people.

Mr. Pillen reported for the Sigma C whose ages range from twelve to fourteen. There are twenty-six boys in the group. Mr. Pillen would like to start a Hi C group and in this undertaking he had the standing support of the U.C.W.

wer read by Mrs. M. Mason. The President asked about the cards and

calls made during the past month. A card of thanks was read from Mrs. T. Morgan for candy received while in hospital. A plant was sent to Mrs. S. Peterson and flowers to Mrs. J. Thompson.

The sick and visiting committee, Mrs. D. Bateman and Mrs. H. Haslett, reported on calls made during the last month.

Mrs. C. Burkitt reported that Mrs. R. Thompson has given up the position of secretary. She asked her nominating committee to meet after the meeting for the purpose of selecting a new secretary.

The President spoke about the bazaar to be held this month. Springbrook will also cater to Hickson's Sales Barn on October 8th. Mrs. M. Mason, social convener, reported that Mrs. G. Bailey is convener and Mrs. F. McKeown is co-convener for the sales barn. The Holstein-Friesian banquet is to be convener by Mrs. H. Mumby and Mrs. R. McKeown is co-convener. The bazaar convener, Mrs. C. Sine, reported on the meeting held the previous night. Mrs. E. Bateman will be in charge of the cooking booth; Mrs. P. Mumby, farmers' booth; Mrs. M. Bateman, candy; Mrs. C. Sine, fancy work. The members agreed to buy study packets for the Messengers, Explorers and C.G.I.T. groups.

For the programme Mrs. A. McInroy gave a reading, "Frustrated Garden." Mrs. M. Bateman conducted a "Rhyming Bible Puzzle" contest. Mrs. J. McKeown gave a reading, "The Bearing of Burdens." Miss Linda Wellman rendered a solo, "My Cathedral," accompanied by Mrs. R. Wellman. The president closed the meeting with the Lord's Prayer.

The hostesses, Mrs. D. Bateman and Mrs. H. Haslett served lunch cafeteria style, assisted by their committee. A social half hour was enjoyed.

ENVY

When my twin daughters and I went walking near our country cottage in Manitoba, we came across a little farmstead in a remote part of the bushland. At the rail fence a small girl, about eight I would guess, watched wide-eyed as we approached.

"Hi," shouted the twins, using the magic greeting of ten-year-olds to melt the ice.

The little girl, who obviously needed a handkerchief, had a shy and breathless "Hi" to give them in return.

"Do you live here?" Franny asked. The little girl nodded. "All year round?" asked Martha. Again the silent nod. Then, with a burst of animated pride, "We got pigs — and chickens. I own a chicken of my own."

They were off, then, the three of them, poking among the pigs and chickens, giggling, enjoying every treasure in the ramshackle farm yard. The father came out and chatted with me. He was young, rather poorly dressed, and he grinned widely at the antics of my twins and his daughter.

In a moment of quiet, he looked about his disordered yard and the rickety, banked-up house. Then he

Giant Military Tattoo To Be Staged In Trenton

Over 300 bandmen and military personnel will appear in a Military Tattoo at the Trenton Community Gardens on Friday and Saturday evenings, September 21st and 22nd, it was announced by Mayor James MacDonald at council meeting Monday night.

"It will be one of the biggest events ever to take place in Trenton," stated the Mayor.

Participating in the Tattoo will be two brass and reed bands, four pipe and drum bands, four trumpet bands, and one precision drill formation. They represent the Regular and Reserve Army, the RCAF Regular and Auxiliary, and the Royal Canadian Sea Cadets.

Headlining the show will be the band of the Royal Canadian Corps of Signals and Air Transport Command Band of the RCAF. Both these bands will return from the Seattle World's Fair in time for the Trenton show.

Pipe bands participating will be the 400 Squadron (Auxiliary) Pipe Band from Toronto and the Pipes and Drums of the Toronto Scottish Regiment. A supplemental group of pipers from RCAF Stations Trenton and Rockcliffe will add to the programme.

The Trumpet Band of the Hastings and Prince Edward Regiment, smartly turned out in scarlet tunics and white pith helmets will appear, as will the trumpet bands of RCAF Station and No. 6 Repair Depot, Trenton. The band of R.C.S.C. Trent will also take part.

A unique feature of the Tattoo will be the appearance of the precision drill squad from the Boy Apprentice School, Royal Canadian Electrical Mechanical Engineers, Kingston.

In order to publicize the tattoo, street parades will be held through town prior to the evening performances. Parade route will be from the corner of Queen Street and Dundas St. West, down Dundas, across the bridge to the Community Gardens. The parade will start at 6.45 p.m.

The Tattoo, scheduled to last nearly two hours, will be underway at 7.30 p.m. The doors of the Community Gardens will be open at 7 p.m. Admission is free.

Thursday night the bands will perform for newspaper, television and radio representatives. This performance will be in the form of a dress rehearsal with special guests in attendance. Excess seating will be available to those among the general public who wish to witness the dress rehearsal.

Four Awarded \$23,305 Total Due Accident

Damages in the amount of \$23,305 were assessed against John Joseph Ryan, of Harold, by Mr. Justice G. A. Gale at the Supreme Court of Ontario at Belleville on Tuesday afternoon, as the result of a motor vehicle accident in May of 1961 in which Mr. William George Patrick Whitton, of Campbellford, was fatally injured.

The jury, after deliberating for some time, returned to the courtroom, with their verdict, finding Mr. Ryan totally negligent.

The jury said he was proceeding at an excessive rate of speed under the circumstances and that he was not keeping a proper lookout. He did not allow the deceased vehicle half of the road and he had the last opportunity to avoid a collision but failed to take advantage of it. The Whitton vehicle, driven by the deceased, was damaged beyond repair.

Stirling Public School Board Held Regular Monthly Session

To Call For Tenders For
Oil Supply For Coming
Year — R. Mallory Reports

The monthly meeting of Stirling Public School Board was held last night with Ralph Jeffs in the chair and Mrs. R. Luery, R. D. Cooke, A. Munro and D. Williams in attendance.

A communication was tabled from G. H. Waldrum, inspector, giving an interim report on school matters.

The Property Committee report stated that several trees would be removed and that D. Ackers had commenced work on cleaning the school radiators.

Principal M. Scott presented his monthly report showing an enrolment of 243 with six more pupils expected.

The secretary-treasurer was authorized to subscribe to the "Canadian Teacher" for two years.

The Board decided to call for tenders for the supply of fuel oil for the school.

Ray Mallory, the Public School representative on the District High School Board, gave a brief report and was given a vote of thanks on motion of Mrs. Luery and R. D. Cooke.

The following accounts were passed for payment:

Bell Telephone, \$10.89; Postage, \$7.00; Stirling Public Utilities, \$29.62; CNR Express, \$1.75; Hutton Hardware, \$8.25; Warren Motors, \$13.55; H. C. Bird, \$2.86; Holt Rhinehart & Co., \$56.00; Nelson Supply Co., \$48.00; J. M. Dent & Sons, \$86.83; Momar Ltd., \$24.05; J. Hood School Supplies, \$214.10.

Mrs. N. M. McAfee Native of Rawdon

Friends from Belleville and Stirling gathered at the local cemetery on Wednesday afternoon for the burial of Mrs. Norah Margaret McAfee, of Toronto. Rev. M. G. McFarlane, of Tabernacle United Church, Belleville, officiated at the graveside.

The late Mrs. McAfee was born in Rawdon Township, a daughter of the late Mr. and Mrs. German Bailey. She died at her home in Toronto on Sunday. She is survived by her husband, R. Lorne McAfee, a daughter, Mrs. W. E. (Margaret) Austin, of Oshawa, and a son, Robert Norman Bailey McAfee, of Toronto.

Also surviving are five sisters, Mrs. Gladys Dack, Mrs. Mabel Nichols, Mrs. Homer (Blanche) Barlow, Mrs. G. Ross (Dorothy) Lang, and Miss Vivienne Bailey, and a brother, Ormonde Bailey, all of Toronto.

Richard Barry Hewton and Janice Mary Coombes Exchange Vows

St. John's Anglican Church, Stirling, was the scene of a quiet but pretty autumn wedding on Saturday last when Janice Mary, daughter of Mrs. Reginald Coombes and the late Mr. Coombes, River Valley, became the bride of Mr. Richard Barry Hewton, son of Mr. and Mrs. Richard Hewton, of Stirling. Rev. F. F. Downing performed the ceremony and a full choir was in attendance with Miss Helen Morrow presiding at the organ.

Given in marriage by her godfather, Mr. Harry Morrow, the bride was charming in a street-length dress of white satin peau de soie, fashioned with plain bodice, softly draped bouffant skirt and lily point sleeves. Her finger-ring veil fell from a tiara of pearls and she wore a corsage of pink roses and white shasta daisies.

The bride was attended by her sister, Mrs. Ronald Woodbeck, as matron of honour and Misses Gwen Coombes, a sister, and Beryl Slatter as bridesmaids. All were similarly attired in autumn green satin and net wedding-rings hats. They carried bouquets of "mums and shasta daisies."

Little Misses Elizabeth Harris and Cindy Lou Faulkner, nieces of the bride and groom, were flower girls, attired in white taffeta with green sashes and hats and carried nosegays

Receives Diploma

Miss Shirley Broadworth, Harold, was successful in passing the examinations held at Bruno's School of Hair Design, Toronto, on Monday, September 10th. Shirley has spent the past three years as an apprentice with Peggy's Beauty Salon, Belleville, and will remain in their employment.

Mrs. Marion Heath D.D.G. Matron

Mrs. Marion Heath, Stirling R.R. 1, received her Commission as District Deputy Grand Matron of the Order of the Eastern Star of District No. 12 at the Installation Ceremony of Grand Chapter on Friday evening, September 21st at the Royal York Hotel, Toronto.

On Tuesday afternoon, September 18th Mrs. Heath, assisted by Mrs. Marion Prest, Bonarlaw, Associate Matron of Marmora Chapter, entertained the Associate and several Past Matrons of District No. 12, numbering 35, at an afternoon tea at the Royal York. The afternoon was most enjoyable.

Appointed Speaker of The Senate

Senator Geo. S. White, of Madoc, former member of Parliament for Hastings-Frontenac, has been appointed Speaker of the Upper House.

Senator White, first member of the Upper House appointed by Mr. Diefenbaker after he became Prime Minister in 1957, succeeds Senator Mark Drouin, 58, Speaker since October 4, 1957.

A Madoc lawyer, Senator White was appointed September 20th, 1957.

Senator White was returned as a Progressive Conservative in the general elections of 1945, 1949, 1953 and 1957. In 1940 he succeeded a Liberal, R. S. Ferguson, as M.P.

Newly-Weds Given Purse of Money

Some thirty-five friends and neighbours gathered at the home of Mr. and Mrs. Hector Eggleton on Saturday night to honour their daughter and her husband, LAC and Mrs. Donald Marchand, who were recently married.

Clarke Rodgers acted as master of ceremonies for a short programme consisting of community singing led by Mrs. John Svoboda, a reading by Mrs. Frank Harding and short addresses by several gentlemen. An address was read by Mrs. Clarence Eggleton and Mrs. Chas. Devolin made the presentation of a purse of money. Jean and Donald voiced their appreciation for the gift, after which dainty refreshments and a social hour were enjoyed.

Quintena Lodge Pays Fraternal Visit To Local Rebekahs

Members of Quintena Rebekah Lodge, No. 133, paid a fraternal visit to Laurel Rebekah Lodge, No. 211, on Tuesday night. During the evening the visiting Degree Team, under the direction of Sis. Alice Adams, conferred the Rebekah Degree on one Belleville and two local candidates in a most impressive manner. Sis. Dorothy Webber was soloist and Sis. Clara Ironside presided at the piano. Noble Grand Sis. Hilda Rose voiced the thanks of Laurel Lodge to the visitors for conferring the degree.

Following the meeting a delicious lunch was served under the convener-ship of Sisters Maude Bell and Bessie Bailey.

Local Rotarians Attend District Conference Held At Orillia

Rotarians and their ladies, numbering more than three hundred and fifty gathered in Orillia Sunday, Monday and Tuesday, September 23rd, 24th and 25th in the annual conclave of District 701, of Rotary International.

The district stretches from North-ern Quebec to Eastern Ontario, comprising twenty-nine clubs, and twelve hundred members. Sessions of the conference were held at Fern Resort, near Orillia, presided over by District Governor J. Cowden Whitfield and Conference Chairman Sam Wellwood, both of the Orillia club. Rotary International President Nitish Laharry, of India, was represented by James Conway, of Rochville, Long Island, N.Y., who urged delegates to "kindle the spark within," to discover the potential within the human soul, and go forward to a new era of brotherhood among all men. The theme is one selected by the 1962-63 Rotary International President, the first Asian to be chosen to the highest office in Rotary, a movement extending into 128 countries, with an enrolment of 1,200 clubs.

Errol Young, of Parry Sound, was named the District Governor elect for the 1963-64 Rotary year. Discussions were led by Rotarians of six clubs.

A separate programme of entertainment and sightseeing for Rotarians was highlighted by a "Sari-Solree" luncheon, featuring only Indian dishes, and honouring Mrs. J. Bamji, a native of Bombay who now heads the Indian Information office in Toronto.

The delegates were welcomed to Orillia, "The Sunshine Town" by His Worship Mayor George McLean, and Orillia Club President Howard McRae. Business sessions were broken for periods of golf, swimming, fishing and touring, at the Fern Resort locale and in Orillia itself, Stephen Leacock's famed "Mariposa."

Mr. and Mrs. Geo. Noble and Messrs Sidney MacDonald and D. R. Williams attended from Stirling.

Brownies Plan Fly-Up

Monday, September 24th, the Stirling Community Hall was alive with laughter as 8 new Brownies registered with the Girl Guides of Canada, bringing the total to 33; 16 in the 1st Stirling Pack and 17 in the 2nd Stirling Pack.

The Tweenies were welcomed by Brown Owl (Mrs. F. Harding, 1st Stirling) and spoke to the girls about the Brownie Promise. Brown Owl (Mrs. C. West, 2nd Stirling), spoke briefly to the mothers present in regards to the Brownie programme.

The District Commissioner, Mrs. R. Luery, was introduced to the Brownies and on behalf of the Packs she presented a silk bookmark with the Guide Law to those girls going on to Guides. Mrs. Luery expressed her pleasure for the opportunity of taking part in the meeting and wished the Brownies well as they go on into the wider world of Guiding.

Final plans were made for the Fly-Up Ceremony to be held next Monday night at 7.30 in the Community Hall. All mothers and Brownies are invited to attend.

St. Paul's United Church Y.P.U.

Organize For Year

A meeting was held on Monday evening at the home of Mr. and Mrs. Lloyd Jones, John St., to map out a schedule of activities for St. Paul's United Church Young People. President Allan Wells and his group decided that the activities should start with a wienner roast on October 1st, the members to meet at the Church at 7.45 p.m. and proceed from there to an outdoor spot.

A nominating committee will prepare a slate of officers to be suggested to the group and Mr. and Mrs. Jones will guide the programme conveners in the coming season.

At the close of this planning meeting Mrs. Jones served a delightful lunch.

Marchand - Eggleton Nuptials at St. Paul's

Baskets of lovely pastel colored gladioli formed a lovely setting in St. Paul's United Church, Stirling, Saturday, September 28th, when Jean Marjorie Eggleton, daughter of Mr. and Mrs. Hector Eggleton, Stirling, was united in marriage to LAC Donald I. Marchand, RCAF Station, Trenton, son of Mr. and Mrs. Moses Marchand, of Tilbury, Ontario. The Rev. P. J. Hommersen performed the double-ring ceremony.

Wedding music was played by Mrs. Harry Brown who also accompanied the soloist, Mrs. Walter Warren, as she sang "The Wedding Prayer," before the ceremony, and "O Perfect Love," during the signing of the register.

The bride, given in marriage by her father, was radiant in a floor-length nylon taffeta bridal gown featuring a scalloped neckline of Chantilly lace adorned with sequins and long lily-point sleeves. The full skirt was enhanced with a lace insert down the front panel and was caught in the back with a ruffled train of Chantilly lace. Her elbow length veil of illusion fell from a crown of pearls, and she carried a bouquet of Sweetheart roses, white carnations mingled with trailing ivy. She wore a single strand of pearls, a gift from the bride-

groom.

The matron of honor, Mrs. Bill Fitchett, Belleville, and the bridesmaid, Miss Eleanor Anderson, Bancroft, wore matching gowns of regency blue organza in cotillion-length with wide hems etched in Battinberg lace of the same shade. These featured scooped necklines, short sleeves and full bouffant skirts. They wore matching shoes and their head-dresses were of the same blue organza adorned with sequins and they carried bouquets of pink carnations with white streamers.

The groomsmen were LAC R. M. Hope, Trenton, and the ushers were Cpl. A. R. Rice, Trenton, and LAC R. Johnson, Trenton, all wearing blue Air Force dress uniforms.

The reception was held at the IOOF Hall, Stirling, which was decorated with pink and white streamers and baskets of colorful gladioli. The bride and groom were seated at a table with a three-tier wedding cake topped with a miniature bride and groom beneath an arch of white roses, with the bride's bouquet adding to the lovely nuptial setting. The bride's mother received the guests wearing a turquoise organza over taffeta dress, beige accessories and corsage of pink roses. The bridegroom's parents were unable to attend.

The bride chose for the wedding trip to Western Ontario and Niagara

Falls, a dress of blue chiffon over taffeta, accented by a satin cummerbund, shoes to match, beige accessories and a corsage of pink roses.

Guests were present from Bancroft, Belleville, Trenton, Madoc, Colborne, Campbellford, Batawa, Frankford and Stirling.

Showers honoring the bride were held previous to her marriage at the home of Mrs. R. M. Hope in the form of a kitchen shower; a miscellaneous shower at the home of Mrs. Charles Devolin, Stirling, with Mrs. Bill Fitchett as hostess, and at a miscellaneous shower held by her fellow workers in the office at Batawa.

Mr. and Mrs. Marchand will reside at 245 Mill Street, Stirling.

Hostess To Rylstone UCW

Mrs. Will Rutherford entertained the minister, Mr. H. D. Pallen, and the members of the United Church Women of Rylstone United Church at her home on Wednesday afternoon.

Mrs. Wilfred Spencer presided for the devotional part of the meeting, opening with the hymn, "From All Who Dwell Beneath the Skies," followed by the Lord's Prayer. The Scripture selection, "Isaiah, 17: 22-28," was read by Mrs. Fred McKeown. The meditation was given by Mrs. Spencer, followed by prayer by Mr. Pallen and a short prayer by Mrs. Spencer.

Taking the place of the usual Bible study period, Mr. Pallen gave an essay on "The Fatherhood of God, as Taught by Jesus."

A minute's silence was observed in honour of the late Will Allan, who had been a benefactor of the Woman's Association and later the United Church Women, along with his late wife.

Minutes of the August meeting were read by Mrs. Ray Stewart. An invitation to attend a tea and bazaar at Springbrook was read.

Mrs. Ross Dickie was convener for the balance of the programme as follows:

Opening prayer, by Mrs. Dickie; reading, "What Money Cannot Buy," by Mrs. Dickie; vocal and accordion solo, "On the Wings of a Dove," by Mrs. Bob Spencer; reading, "Eyes,

But They See Not," by Mrs. James Legge; piano solo of sacred music, "We Plough the Fields and Scatter" and "Tell Me the Stories of Jesus," by Mrs. Clarence Thomson.

A thank you letter was read from Bob Spencer for cards and gifts received while in hospital.

A reading, "Somebody Else," was given by Mrs. Cecil Finch. Two short contests were conducted by Mrs. Ross Dickie. The meeting closed with the Mizpah Benediction and refreshments were served by the hostess, Mrs. Dickie and Mrs. Thomson.

The next meeting will be held at the home of Mrs. Sanford Melkiejohn at Springbrook. Programme committee will be Mrs. Will Rutherford, Mrs. Ross Dickie, Mrs. Clarence Thomson and Mrs. Jack Spencer. The refreshment committee will consist of Mrs. Ray Stewart and Mrs. Wilfred Spencer. Roll call to be answered by a thanksgiving offering.

High School Senior Football Squad Lose Opener

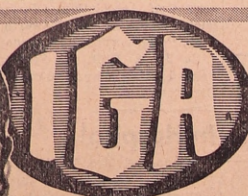

On Friday, September 21st, a senior football game between Stirling-Rawdon District High School and Madoc High School took place at the Stirling Fair Grounds.

Stirling got off to a bad start when, after one of two fumbles in the first quarter, Madoc scored seven points. The first point was on a single, the other six on a touchdown.

Again in the second quarter, Madoc singled for one more point, making the score 8-0.

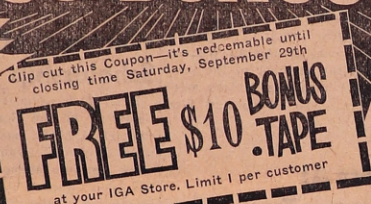

Stirling showed signs of coming to in the third quarter as they stopped Madoc attackers but were unable to break through for any points.

The fourth quarter witnessed the most scoring of the game as the Madoc players started out early with a touchdown and field goal. Ron Stewart added later for another touchdown, giving Madoc an overwhelming score of 21-0. With barely three or four minutes to play, Stirling's John Hommersen made a spectacular 50 yard dash which ended up a few seconds later in a touchdown. Stirling was unable to take advantage of a convert attempt and they fell to a 21-6 defeat.

Monthly Meeting
Wellman's W.I.

The monthly meeting of Wellman's Women's Institute was held at the home of Mrs. Omar Dracup on Wednesday, September 19th with ten ladies and five children present.

The President opened the meeting with the Institute Ode, followed by the Lord's Prayer. In the absence of the Secretary the minutes were read by Mrs. Byron Sealey. She also read the correspondence. A letter concerning the Tweedsmuir Book brought up quite an interesting subject. It was moved and seconded that Miss Emma Rainie look after and bring up to date the book that she had originally started.

Current events were given by Mrs. Byron Sealey. The roll call, "What my community needs from its young people," was well answered by all. The motto, "The only thing more expensive than education is ignorance," was well prepared and capably given by Mrs. Ken Tompkins.

Mrs. Omar Dracup, Citizenship and Education convener took charge of the programme. Mrs. Ken Tompkins led in community singing with Mrs. Fred Beckett at the piano. Mrs. Burton White gave a reading entitled, "A Little Boy's Prayer." Mrs. Fred Beckett favoured with a solo, "Blue Bird of Happiness," accompanying herself on the piano.

The topic, "Why women should serve in politics," was well arranged by Mrs. Dracup in the form of a discussion. The three discussion groups came up with quite an array of an-

swers for the questions she had prepared.

The President voiced thanks to Mrs. Dracup for opening her home and arranging the programme; also to those taking part on the program. The collection was taken up by Miss Kathy White. The President closed the meeting with the Institute Creed, followed by the Queen.

A delicious lunch was served by the hostess and her assistants and a social half hour enjoyed.

Half Can. Teachers
Rank Amateurs
Principal Charges

Nearly half of Canadian elementary school teachers are "rank amateurs," according to Collegiate Principal, George L. Roberts, in Liberty magazine.

"Ever since the post-war bumper crop of students, we have been buying our educational services as cheaply as possible," Roberts maintains. Roberts is principal of Oshawa, Ont., Collegiate and the past-president of the Canadian Teachers' Federation.

"If the Ontario Teachers' Federation succeeds in persuading the government to raise admission requirements to Teachers' Colleges to Senior Matriculation standing, then Ontario will have regained the standards required during the 1930's," Robert Marjoribanks, author of the Liberty article reports.

In other provinces, the problem is much the same, although most are making efforts to overcome it. This year, Alberta requires teachers to take two years university training. In 1959, more than 70 per cent of that province's student teachers had less than Senior Matriculation.

In 1959 less than eight per cent of New Brunswick student teachers had scored 75 per cent on Junior Matriculation examinations; less than 22 per

cent could qualify for admission to the University of New Brunswick.

"Teachers' Colleges seem to get more than their share of mediocre students," Marjoribanks said. He charged that those students who are unfit for anything else make teaching their profession.

"Too often bright pupils are told they are too good to go into teaching," said Mrs. Dorothy Martin, Sec-

retary of the Federation of Women Teachers Associations of Ontario.

The proportion of teachers with university degrees in 1958 varied from a high of 35 per cent in British Columbia, to a low of six per cent in Prince Edward Island.

United Church Women of District Hold Regular Monthly Meetings

UNIT 4 ST. PAUL'S

With the church parlours attractively decorated with flowers arranged for various settings, Unit 4, St. Paul's United Church Women, met for its first fall meeting with eighteen members and one guest present.

The meeting was opened with the theme hymn, after which the leader, Mrs. E. Warren, read a selection, "Just For Today." Mrs. Ashley Brooks, convener, took charge of the devotional period, assisted by Mrs. F. McDonnell, who read the Scripture lesson, Acts 17: 22-29, and by Mrs. L. Wannamaker, who gave a commentary on the passage. Prayer and the singing of a hymn followed and the offering was dedicated.

Mrs. D. Luery conducted the Bible study based on Acts, chapter 15. Mrs. E. Warren gave a short reading on Edward McClure and sang his gospel song, accompanied on the piano by Miss Fairlie Warren. Mrs. Brooks, after mentioning that Unit 4 was observing Flower Day, read an inspirational address, "Act Your Age," given by Judge G. L. Austin, Judge of a Juvenile and Family Court, at the Annual Horticultural Society meeting. Mrs. L. Wannamaker read a poem, "Whoever Makes A Garden." After part of the hymn, "For the Beauty of the Earth," was sung, Mrs. Brooks called upon Mrs. Warren to take charge of the business meeting.

The regular business was conducted. Forty-five home and hospital calls were reported made since the last meeting. Sewing was given out, and a request made to members to bring to the next meeting pieces of flannelette suitable for making patches for crib quilts.

Mrs. P. J. Hommersen closed the meeting with prayer. Tea and refreshments were served and Mrs. G. Carlisle conveyed the thanks of all to Mrs. Brooks and her committee.

SALEM U.C.W.

The September meeting of Salem United Church Women was held on Thursday afternoon with the President, Mrs. Heagle presiding. A hymn was sung, followed by the Lord's Prayer in unison.

The minutes were read by Mrs. C. Carter. Roll call was answered. A thank you was expressed by Mrs. Holden for a baby gift received. It was decided to hold a bake sale in the near future, with committees arranged for the bake sale and to cater for a wedding. An invitation was read from Springbrook U.C.W. to attend their tea.

Mrs. Lorne Hagerman took charge

of the programme. A hymn was sung. Mrs. Murney Johnston read the Scripture lesson with Mrs. Lorne Hagerman giving the meditation and leading in prayer. Readings were given by Mrs. Orval Jackson, Mrs. Mowat Sine. A chapter from the study book was given by Mrs. Frank McGee. Mrs. George Sine sang beautifully.

Mrs. Cecil Carter expressed appreciation to Mrs. Mowat Sine as hostess and all who helped with the programme. The Collection was received and a hymn and benediction closed the meeting. Lunch was served.

MOUNT PLEASANT U.C.W.

The September meeting of Mount Pleasant Rawdon United Church Women was held Thursday afternoon at the Church Hall with fifteen members, three pre-school children and the pastor in attendance. Two bouquets of flowers added their beauty.

Mrs. Milford Wrightman presided and opened with "I Need Thee," Mrs. Garth Joslin was pianist. Mrs. Ross Jeffs read her report and Mrs. Ernest Spencer gave the financial picture.

An invitation to visit Springbrook U.C.W. bazaar and tea was accepted. Mrs. Herbert Smith read a thank you for the recent bale of clothing which had been forwarded. It was decided to purchase the book "The Word and the Way." Literature re Five Oaks was read. Plans were made to hold a bazaar and tea in October with a special speaker. Several groups will be invited to attend. A meeting to complete the plans was held Monday evening at the Church Hall.

Mrs. W. G. Fletcher presided over the programme based on Christian Education. She opened with "Wonderful Love" and prayer. Mrs. Ross Jeffs read "The Parable of the Sower." Following the meditation Kathy Sharpe gathered the offering.

Mrs. Will Jeffs contributed a piano solo. Mrs. Ernest Spencer read an article on the theme of the program. Rev. W. G. Fletcher presented a film strip entitled "Together We Grow" which was based on a workers' conference. A short discussion followed, after which refreshments were served.

UNIT TWO, ST. PAUL'S U.C.W.

The September meeting of St. Paul's United Church Women, Unit Two, was held last Thursday night, September 13th, at the home of Miss

National Business Head

Victor Oland, Halifax, Nova Scotia, who has been elected President of the Canadian Chamber of Commerce at the national business organization's 34th Annual Meeting in Vancouver, B.C., on September 17th, 18th, 19th. He was formerly first national vice-president. In business life, Mr. Oland is President of Oland & Son Ltd. and, except for his service in World War II as an officer in the Royal Canadian Artillery, he has spent his adult years in the family-controlled brewing industry. Mr. Oland brings to the Chamber presidency over 25 years of experience in business, military, civic and public affairs. Born in Halifax, August 9th, 1913, he was educated in Halifax Public Schools, Loyola College, Dalhousie University and Oxford University. He takes over from W. S. Kirkpatrick, former president of the Canadian Chamber of Commerce.

Jessie Johnston, Belleville Road. Fifteen ladies were present to enjoy the programme and the slides shown by Miss Doris Sadler, Frankford.

The Unit President, Mrs. C. West, called the meeting to order and read a poem "The Silent Worker" as an opening. The devotional was taken by Mrs. G. Loshaw and the theme was "Praise Ye the Lord for His Universal Power." The Scripture lesson was taken from Acts 17: 22-28. Mrs. Loshaw led in prayer and everyone repeated the Lord's Prayer. Mrs. B. Jones was accompanist for the hymns.

The offering was received and dedicated by Mrs. West. After the roll call was taken by Miss A. Bush, the minutes of the June meeting were read by the Secretary, Mrs. Francis Lyons. Mrs. Bert Jones reported 3

calls made and 1 card sent; also two calls made during the summer.

The President of St. Paul's U.C.W., Mrs. D. Duffin, was present and discussed the renovating at the church.

Mrs. M. Maguire gave the chapter from the study book entitled "Getting By Today." This concerned the conduct and relationships between persons or groups of persons. She said "Ours is a society in which people are conditioned to believe that things, riches and power are the only goals worth seeking in life."

Mrs. G. Potter introduced the guest, Miss Sadler, who showed slides of her vacation to Nassau and Vancouver. These beautiful pictures were greatly enjoyed by everyone. Miss Bush thanked the guest and Mrs. Maguire presented her with a gift. Mrs. West also voiced a few words of thanks to Miss Sadler and then closed the meeting with prayer.

Mrs. D. Donohoe thanked Miss Johnston and her committee for the lunch that was served. The October meeting will be held at the home of Mrs. B. Glendinning.

ST. PAUL'S U.C.W. UNIT THREE

On Tuesday evening the Unit 3 of St. Paul's United Church Women were welcomed by Mrs. Lloyd Jones at her home on John Street.

The leader, Mrs. Grant Richardson, called the meeting to order and Mrs. Blake Faulkner and Mrs. Maryvyn Scott conducted the devotional period and Mrs. Faulkner gave the dedicatory prayer for the offering. The roll call, a scripture verse or words of wisdom, was answered by nineteen members. Mrs. Roy Tucker read the minutes and the report of the treasurer, Miss Mary Hulin, showing \$25.58 made at the bake sale, was tabled. These reports were followed by the visiting committee, Mrs. H. Francis; membership committee, Mrs. Guy Bradshaw; friendship secretary, Mrs. Luella Bronson. The supply secretary, Mrs. Russell West, reported from the general meeting the need of crib quilts. It was agreed that at the October meeting, which will be held at Mrs. Grant Stapley's the third Tuesday evening, each member will bring prints or suitable material for filling of crib quilts.

Programme
A most interesting programme was presented by Mrs. Gerald Bush, taking scripture verses and holding a discussion on their meaning. A lively discussion ensued and each freely expressed her views, proving that a meeting not only requires business and social activity, but worthwhile thoughts we can take with us to ponder over and perhaps put into action when the opportunity arises. Closing this instructive programme,

Mrs. Bush read the beautiful poem "The Book More Precious than Gold."

A contest, "Church Members' Names," was won by Mrs. Grant Stapley and Mrs. Roy Tucker.

A dainty lunch of fruit bread, cheese and pickles with a cup of tea, completed a most friendly as well as an educational meeting.

On behalf of the members Mrs. Guy Bradshaw moved a vote of thanks to the hostess and committee.

THE BIBLE TODAY

"What will they read?" is a question on many lips in the Western World as one thinks of the millions in Asia, Africa and elsewhere who are learning to read.

"These are days for giving out literature in shops and prisons," writes a missionary in the Congo. Ghana, Guinea, Chad, Camarons as well as India, Thailand and Japan, have the same cry: "We want to read. We must read! We will read!"

The popularity of Bible Correspondence Courses in underprivileged areas indicate the thirst for reading materials. There are 1000 bookstores in Tokyo, all doing business.

The literacy explosion has led thousands to read the Bible for the first time. The fact that the Word of God appears in 1186 languages means that it is not looked upon as a foreign book. The Bible speaks today to every man's need. Man is hungry for the Written Word. One of the greatest challenges in the Christian Missionary enterprise is providing Christian reading material — books, pamphlets and magazines but especially copies of the Word of God in the languages needed.

The Good Driver

Most people over the age of 16 drive cars, and get pleasure from doing so. Most of these also get a feeling of satisfaction, based on the belief that they do the job particularly well. Surveys have shown that something like four out of five drivers believe that they are "above average" — which is, of course, a mathematical impossibility.

Good driving is always inconspicuous, says the Ontario Safety League. Bad driving is always noticeable; it sticks out like a flapping fender. But individual acts of good driving often are known only to the man at the

wheel. Two drivers might go through the same streets, at the same speed, in identical conditions. The first man may be driving well, while the second is driving poorly.

The difference is in awareness. The first man knows exactly what he is doing. And he knows, as far as it is possible, just what the other road users are doing, or might be doing shortly. He "reads" the situation all along the route, and drives his car so that he had complete control in the existing conditions, and in all foreseeable conditions.

The second man is aware only of his immediate surroundings. Through inattention, or ignorance, he fails to comprehend the significance of much of the other traffic movements in the area. He does not think ahead, nor does he try to think for the other drivers and pedestrians. A suddenly-developed hazard, that would have been foreseen and easily avoided by the first driver, is likely to catch him unprepared.

The aim of the first man is not merely to keep out of accidents. It is to keep out of near-misses, and any situation that might lead to a near miss. That way he saves a lot of wear and tear on his nerves, and perhaps on his wallet, according to the Ontario Safety League. He also keeps more interested, and gets much more enjoyment out of driving.

What Others Say

CRIMINALS LOOSE ON STREETS AND HIGHWAYS

(Ottawa Journal)
It is time society as a whole shocked itself into demands for greater safety on the streets and highways.

The daily toll of lives and injuries mounts and mounts. Yet because it is before us always we seem to accept it always.

The Journal has argued now for several years that police and courts are partly to blame. We still argue that. The police and courts are too lenient.

But it is the court, not the police that is the greater offender. For it is the court that hands out paltry fines of dollars against a heckless driver who is as much a criminal as another who carries a gun.

A reckless driver, in our view, is not merely a driver who offends against the specific things that usually come under that heading. A reckless driver is one who endangers life or property.

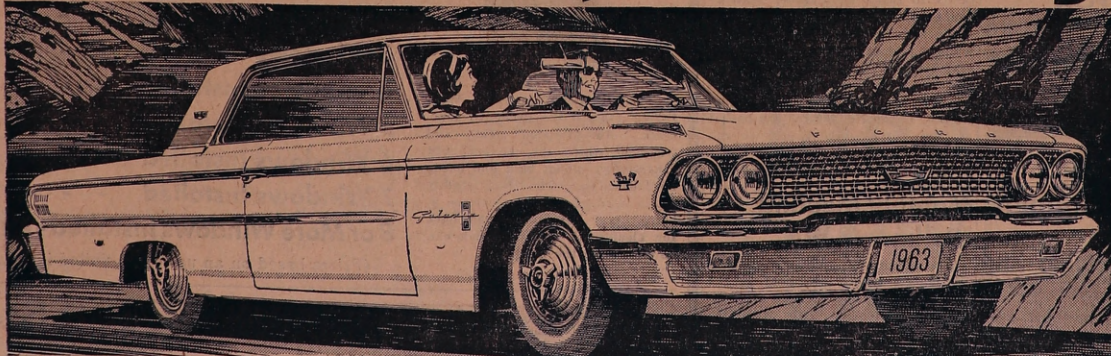

The streets and highways are full of reckless drivers these days — but most of them slip up uncaught, and those who are caught are treated with a mixture of leniency and routine carelessness that is neither punishment nor example.

As the courts and police seem to feel satisfied with this state of affairs it is up to public opinion to raise hell.

The courts and police may reply that they do not make the laws. The Journal finds that a thin excuse. Some laws should be strengthened, the ceiling on some penalties raised. But even within the present regulations and laws there is room for an alert police and judiciary to make our streets and highways safer.

They are not safe now — and we would incite the public to rise and say so; to their aldermen, their controllers, their mayors, reeves and councillors, their provincial and federal MPs. And say it with some heat.

NEWS FOR THE BUSY FARMER

Furrow and Fallow

By Fairbairn

Looking into the milk marketing situation in Ontario is like trying to see through a glass of milk, but it is this columnist's guess that we will all be a lot older before dairy farmers vote on a marketing plan. Certainly, the latest move by the provincial board — announcing they will consider suggestions for revisions in the proposed plan submitted by November 1st — makes a vote impossible this year. Further, and aside from certain contentious points, there is some question about the technical and legal possibility of instituting certain sections of the proposed plan. Neither the producers' provisional board nor the government would allow a vote until this situation is clarified.

There have been suggestions in some quarters that a commission be appointed to study various aspects of the dairy situation in the province

and the latest move is that some producer groups are recommending a federal Royal Commission on milk marketing if a vote on a plan in Ontario is not possible this year. For several reasons, this could be the next step.

First, the political situation in Canada suggests that a federal Royal Commission move would be a sound move. Quebec is having an election this fall on another issue and this precludes any possibility of legislation being introduced in that province to achieve similar objectives to those for which the Ontario producer plan is designed. There had been some indication that Quebec authorities might co-operate by introducing legislation if Ontario moved, but none has been forthcoming. Without some co-operation from the other large dairy province, the Ontario marketing plan would only extend the umbrella under which milk producers in Quebec have been living because of Ontario producer activities through their marketing boards operating under the

Milk Industry Act.

A federal Royal Commission might bring to light some facts about inter-provincial exchange of milk and milk products not presently available. These facts could be vital in solving the dairy problem. Further, no single province can solve all the problems alone so federal action could be the answer, which brings us to the second reason why such action would appear possible politically.

Agriculture Minister Hamilton changed his dairy policy this year after representations from Ontario and Quebec, but he faces another dairy year next May 1st. He may also face another general election by the same time. A Royal Commission on the dairy industry would keep milk marketing out of the political arena should another federal election be necessary. Ontario must also have an election in 1963 so all three ministers of agriculture most vitally concerned are going to be facing the voters. All would prefer to do that without such a contentious issue as milk marketing disturbing the rural vote.

Finally, the lack of agreement among producers on the proposed plan and the obvious lack of knowledge about what it entails points to the necessity for more information which a Royal Commission could supply. It would also be an independent body so its findings should carry more weight with all concerned — milk producers, distributors, processors, governments and even consumers.

It is unfortunate for producers that they have not been able to agree on their own marketing plan. Control of the situation will be in other hands if a Royal Commission is appointed. Its findings will consider the interests of a lot of other people than producers.

Wins Zone

Grass Competition

It was announced this week by A. H. Martin, Director of the Field Crops Branch of the Ontario Department of Agriculture that Mr. Ross Moorcroft, Madoc, has the winning pasture for this Zone, which includes the counties of Ontario, Victoria, Durham, Peterborough, Northumberland, Hastings, Prince Edward, Lennox and Addington and Frontenac.

Mr. Moorcroft has pastured eighteen milk cows and six heifers on 14.6 acres of pasture, or has 21.2 animal units on the pasture, and his cattle have produced 97,000 pounds of milk. Mr. Moorcroft rotates and strip grazes his pasture as well as fertilizes them according to soil test, and harrows them to spread the droppings.

Anyone who has the opportunity of visiting Mr. Moorcroft's farm should do this to see his fine pastures.

The Provincial Judges are planning to visit his farm on Monday, October 1st, around 2.30 p.m.

1963 Chevrolets Go On Display Here Tomorrow

Considerable restyling and engineering refinements are highlights of the 1963 Chevrolet lineup of automobiles, General Motors of Canada announced today.

The Chevrolet line — regular size Chevrolet, Chevy II and Corvair — will be on display in showrooms across the country on Friday, September 28th.

The regular Chevrolet is offering 13 models in three series — Impala, Bel Air and Biscayne. The Impala Sports Sedan features an entirely new roof design, rear pillar and rear window. The Impala Sports Coupe is available with an optional vinyl top covering.

Longer looking, the new Chevrolets have straight windshield pillars for easier access for driver and passengers. Front grilles are now made of anodized aluminum.

Chevrolet has introduced a new six-cylinder 140 horsepower engine that is higher in horsepower yet is 23 per cent lighter than the previous model. A revised 233 cubic inch V8 and five other V8's complete the Chevrolet engine lineup which offers engines ranging from 140 to 425 horsepower.

Fifteen solid colors and 11 two-tone combinations are available in regular Chevrolets. Durable vinyl headlining is now standard equipment on all models except convertibles. The convertibles feature new tighter-fitting tops.

Here are other new Chevrolet features:

— Brakes are self-adjusting; mufflers will have longer life; the lightweight Powerglide transmission, formerly used with the 327 cu. inch engine option, is extended to all models.

— Delcotron alternating current generators are standard on all models, assuring ample reserve electrical

power for added accessories and for longer battery life.

— All Chevrolet radios in 1963 are transistorized.

— A new "blended-air" heater with simpler controls has been added, along with stronger safety-type door latches and relocated seat belt anchors.

Chevy II Models

Chevy II has expanded its models to include a Super Sport option for the Nova 400 convertible and sport coupe. This option includes front bucket seats, all-vinyl trim and a special instrument cluster and clock. The rear cove area and body side moulding are finished in anodized aluminum.

In addition to the Super Sport models, Chevy II has 10 regular models in three series — 100, 300 and Nova 400. "Air-washed" rocker panels designed to reduce corrosion, amber parking and directional lights and a tighter-fitting convertible top are other new Chevy II features.

As in the regular Chevrolet, Chevy II offers a Delcotron alternating current generator. A new larger battery with three-year warranty is also standard.

Chevy II is powered by a High-Thrift 194 Six and Super-Thrift 153 four-cylinder engine with either 3-speed or synchromesh transmissions. A new automatic choke is coupled with the six and a new economy carburetor with manual choke comes with the four-cylinder engine. Positive crankcase ventilation and longer-wearing exhaust systems are features of both engines.

Six Corvair Models

Corvair incorporates many design refinements in its simple, classic lines. Monza models feature new dual simulated air outlets below rear windows and full wheel covers.

Six Corvair models are available in three series — 500, 700 and 900 — plus the unique Greenbrier sports wagon.

The Corvair exhaust system has been improved to give longer life and Corvair's dependable electrical system with conventional DC generator is retained.

The Turbo-Air 80 horsepower six-cylinder engine is standard on all models with either manual or automatic transmission. The Monza with Powerglide has an 84-horsepower rating. Three transmissions are offered — tree-speed synchro-mesh, four-speed synchro-mesh and Powerglide. The 102-horsepower engine is optional with all three transmissions on all models except Greenbrier.

Unit Six St. Paul's U.C. Women

Unit Six of the United Church Women of St. Paul's United Church held their September meeting at the home of Mrs. R. A. Patterson with a good attendance.

Following brief opening exercises the leader conducted routine business and it was decided to hold a work meeting at the home of the leader on Tuesday afternoon, October 2nd to complete work on hospital scrapbooks and to commence work on toy project. Anyone having half a yard of remnants of good print, terry towelling or ticking, as well as flannelette patches for crib quilts, please bring them to this meeting.

The Treasurer's report given by Mrs. J. B. Hough was very encouraging. It was unanimously decided that this unit would not hold any money-making event, but continue free-will

STIRLING HORTICULTURAL SOCIETY

The regular meeting of the Horticultural Society will be held on Monday, October 1st at 8 p.m. at the home of Mrs. Floyd Armstrong.

ing of Pentecost and told of the character traits of Jesus' disciples. She concluded by saying "We too can become effective disciples if we truly humble ourselves and pray fervently and with sincerity. We shall then know in some way we have our Lord's approval." Unit Six is indeed privileged to have a woman with Mrs. Sharpe's knowledge of the Bible as one of its members.

She was thanked by Mrs. M. Ayrbart and the Unit leader thanked the entire programme and lunch committee for all that had been contributed towards making such a worthwhile afternoon possible.

A Bible contest and closing hymn preceded the social hour. Thanks to the hostess was expressed by Mrs. J. B. Thompson.

Comrades are again reminded of the general business meeting next Tuesday, October 2nd at 8.15 and the new date for the branch initiation — Tuesday, October 16th.

Appeal By Boy Scouts

On Tuesday evening, October 2nd, the Boy Scouts will be making a canvas of the town selling peanuts to help the Group Committee raise funds to meet the Provincial Headquarters' quota, which at one dollar per boy and leader will run into one hundred dollars. So when a boy calls at your home please welcome him.

Do you know there are 74,656 Wolf Cubs in Ontario and 43,736 Boy Scouts. In our own Quinte Region there are 4,482 Cubs and 2,819 Scouts with 842 leaders.

On behalf of our Local Committee, I ask you to help them make this quota.

LEGION NOTES

The executive of the Stirling Legion met in the Legion Hall last Tuesday evening. A full attendance greeted President Gilbert Finkle. Several important items of business were discussed.

All comrades are asked to take special note of the decision to postpone the proposed initiation ceremonies from Tuesday, October 2nd to Tuesday, October 16th. Circumstances made it advisable to advance the date of the initiation. Further, all comrades are advised that a general business meeting will be held next Tuesday, October 2nd at 8.15 p.m. in the Legion Hall. A good attendance is required. Please turn out to this important meeting next Tuesday.

The executive discussed a proposal to initiate some form of sports activity for the girls of this community. Those present agreed that there was an adequate programme of minor sport activity for the boys, but the girls were more or less left out of such planning. Comrade Elwood Wilson, Branch Sports Officer, was asked to look into two suggestions and report back to the general meeting next Tuesday.

The executive also discussed plans for the coming Poppy Campaign and Remembrance Day. A report on arrangements to date was received from Branch Padre Rev. F. Downing. Since Remembrance Day falls on a Sunday the branch will hold an appropriate service at the Cenotaph commencing at 10.40 a.m. Local churches have most generally agreed to delay the start of their morning worship service to 11.15 a.m. It is expected that the Remembrance Service at the Cenotaph will conclude at 11.05 a.m.

Following the Remembrance Service the Stirling Branch will parade to St. Andrew's Presbyterian Church for service at 11.15 a.m. Immediately following the church service the members of the branch will proceed to the Rawdon Township Cenotaph at Harold where Branch Padre Rev. F. Downing will conduct a brief memorial service commencing at approximately 12.45 p.m.

Plans were also made for the sale

Immature Driver Own Worst Enemy

Screaming tires, racing motors and erratic driving are the major signs of an immature person at the wheel, claims the Canadian Highway Safety Council. "He is his own worst enemy," the Council believes. "Like an animal without logic or reasoning, he gives warning before he strikes. He can only damage himself if other drivers accept that warning and stay away from him."

The immature driver, says the Council, gives in to the urge to show off, to attract attention to himself. He is the same person who shouts on the streets, talks loudly on the bus and makes noisy rude remarks to others. The Council claims this person gets no acclaim. "He gets ridicule, disgust and contempt to such a degree that, could he but know it, the temper that accompanies immaturity would certainly send him on to tantrums."

CMSC's advice is to avoid the immature amateur. Don't try to educate him on the spot. That's impossible and only tantalizes him. Let him alone and do your best to escape his idiotic caperings."
